TWO FAMILIES BURNED OUT BY SUNDAY FIRES; \$5,500 DAMAGE

Two eastern Adams County families were driven from their homes by fires Sunday.

Sunday morning at 2:35 o'clock the Midway Fire Company was summoned when the home of Jesse Elicker, 313 South St., Conewago Twp., burned while Abbotstown was joined by East Berlin and New Oxford firemen in fighting a blaze at the home of Stephen Wolf on W. King St., Abbotstown, at 2:45 Sunday afternoon.

In both cases the occupants of the homes are now residing with relatives.

Damage was estimated at \$5,500 in the two fires.

FIREMAN INJURED

Stephen Wolf and his son, Milo, were entertaining visitors at their home in Abbotstown Sunday afternoon when a neighbor, Mrs. Gordon Stambaugh, saw smoke issuing from the roof and called the Abbotstown Fire Department.

More than 100 fire fighters from Abbotstown, New Oxford and East Berlin were able to confine the blaze to the west side of the house where flames burned a four-foot hole through a bedroom wall and a three-foot opening through the roof.

The cold weather caused water thrown on the fire to turn to ice and Russell Fissel, an East Berlin fireman, suffered a dislocated shoulder when he fell on the ice that had formed on the sidewalk fronting the dwelling.

FIND OTHER QUARTERS

Damage to the Wolf property, partially covered by insurance, was estimated at \$3,500 by Abbotstown Fire Chief Wilmer B. Rodgers. Stephen Wolf, who is 60 and a charter member of the Abbotstown Fire Company, and his son, Milo, will reside with another son, Harry Wolf, 38 Monroe St., Hanover, until the home is repaired.

Mr. and Mrs. Jesse Elicker, their son, Jesse, aged 3, and daughter, Dorothy, aged one, went to the home of relatives at 300 S. Franklin St., Hanover, after fire badly damaged their home in Midway.

FIREMEN AID FAMILY

Midway firemen said Mrs. Elicker had smelled smoke and investigation disclosed fire in a partition. The family fled and firemen were summoned. The firemen said they believed bad wiring may have caused the blaze which burned out one room and part of the wall of the house.

They estimated damage to the house, owned by A. P. Heckert, 425 Carlisle St., Hanover, at \$2,000, and said the house was covered by insurance. The Elickers, however, had no insurance on their property in the house.

Firemen in the Midway area Sunday were seeking to secure a home where the Elicker family might move.

Arab Sultan On Spice Isle Of Zanzibar Is Dethroned In An Overnight Revolt

DAR-ES-SALAAM, Tanganyika (AP)—African Nationalists proclaimed a republic on the East African spice island of Zanzibar Sunday after overthrowing the Arab sultan in an overnight revolt.

Several persons were reported killed and many others wounded in heavy fighting that erupted Saturday night and raged into early Sunday around police stations, an armory and the residence of Prime Minister Mohammed Shami Hamadi.

A radio station, identifying itself as "The Freedom Fighters of Zanzibar," said at least two policemen were killed in the successful storming of the armory. There were reports another policeman was killed defending the prime minister's home.

PLEE TO LINER

The rebel broadcast said Hamadi and Sultan Seyyid Jamshid Bin Abdullah had taken refuge on a cruise liner in the harbor.

By late Sunday night the rebels were reported to have seized control of all but one strategic building in or around Zanzibar City.

They took over the cable office and halted cable services from the island. They also held the airport, and no planes were allowed to take off or land. Only faulty telephone communications were open.

57 YANKS ON ISLE

The United States sent the destroyer Manley to remove American women and children. A U.S. State Department source in Washington said the 57 Americans stationed on the island at a tracking station for the Project Mercury satellite program appeared to be in no immediate danger. The U.S. consul in Zanzibar reported to the embassy in Dar-es-Salaam that it was "all quiet."

3RD PLACE FOR ADAMS APPLES

Adams County's apple display at the Farm Show in Harrisburg came in third in Sunday afternoon judging.

The competition marked the first time in several years that the Adams County display has not won first place. Fruitgrowers were of the opinion that the display was as good as in prior years, but that competition was better.

Franklin County took first place, Snyder second, Erie fourth and Lehigh fifth.

SANDERS CITED BY HOLY NAME SOCIETY HERE

Daniel S. Sanders, Gettysburg R. 2, retreat chairman for the local Holy Name Society, Sunday morning was announced as the "Holy Name Man of the Year of the Harrisburg Diocese."

Sanders was presented with a plaque by Clyde P. Peters, Camp Hill, Diocesan Holy Name Union vice president, on behalf of the Harrisburg Diocese organization, at a breakfast held by the Holy Name Society of St. Francis Xavier Church in the local school cafeteria. The meal followed the 7:30 a.m. Mass at which the group received Holy Communion in a body.

Peters said Sanders was selected "for his 34 years of active service to the Holy Name Society including three terms as president. His 10 years as a delegate to the Conewago Deamery Holy Name Union; his outstanding record as retreat chairman; his activities in the St. Vincent de Paul Society aiding the poor and needy of the community; his activities in the PTA of Delone Catholic High School; his efforts on behalf of migrant labor in the area, his work in connection with the county home, and his general work as an unsung hero of God and the church."

PRESENT GUESTS

The presentation was one of the highlights for the breakfast meeting at which Dr. Warren Quanbeck, visiting professor at the Lutheran Seminary, spoke on the Vatican Council at which he was a non-Catholic observer.

Timothy E. Farrell, program chairman for the society, was master of ceremonies and introduced the local officers headed by Raymond Redding, president.

Conewago Deamery President James Sneringer introduced officials from the deamery and diocesan unions. Rev. Fr. Michael Barrett, Abbotstown, deamery spiritual advisor; George Costella, New Oxford, deamery special projects chairman; Thomas French, Littlestown, deamery retreat chairman; Marilyn Weaver, McSherrystown, deamery publicity chairman; John Rudisill, Littlestown, immediate past deamery president; Guy Sanders, Bonneauville, deamery marshal; LaVerne Staub, Hanover, deamery vice president; Henry Snyder, Hanover, diocesan marshal; James F. Obrock, New Cumberland, diocesan treasurer; James A. Eckenroth, Lebanon, past diocesan president; Col. John B. Hetzel Jr., Harrisburg, first president of the diocesan union and September "Holy Name Man of the Month" for the country, and diocesan vice president Peters.

CANCEL CD COURSE

The class for Civil Defense Auxiliary Police scheduled to begin here tonight under the direction of Chief of Police Jack Bartlett has been cancelled, due to insufficient persons signing for the course.

Selected Diocese Holy Name Man

Daniel S. Sanders, Gettysburg R. 2, who was named "Holy Name Man of the Year" for the Harrisburg Diocese, is shown Sunday morning as he received a plaque symbolic of the honor at the annual breakfast of the Holy Name Society of St. Francis Xavier Church. Shown left to right are Rev. Fr. Michael Barrett, Abbotstown, deamery Holy Name Union spiritual advisor; Timothy E. Farrell, program chairman of the local society, who was toastmaster; Rev. Dr. Warren A. Quanbeck, who told of his experiences as an observer at the Vatican Council; Sanders; Diocesan Holy Name Vice President Clyde P. Peters, Camp Hill, who made the presentation to Sanders; and Rev. Fr. Joseph P. Keely, pastor of St. Francis Xavier Church. (Times photo)

MAN CRITICAL AFTER ROCKET EXPLOSION

A 24-year-old Adams County man was injured seriously Saturday night when an experimental rocket exploded and penetrated his abdomen.

Hanover Hospital authorities said Lanny Pennel, New Oxford R. 2, apparently was putting chemicals in the rocket tube to charge it for testing the tiny car when the rocket engine blew up. Pennel, a linotype operator for The Gettysburg Times, was taken to the office of a New Oxford physician at about 6:30 p.m. When the physician determined that the injuries were extensive, he had the man moved to the Hanover Hospital where immediate surgery was performed. His condition was listed as serious Sunday evening.

The hospital reported his condition this afternoon as "still critical." He has retained consciousness.

Pennel is reported to have been visiting a neighbor whose 14-year-old son he was helping to fashion a rocket from certain chemicals placed in a small chrome tube. The rocket apparently backfired during construction, driving the tube into Pennel's stomach.

A heart specialist was summoned to the hospital today to confer on Pennel's case.

PRAYER AND COMMON SENSE FINAL THEME

About 100 attended the closing service Sunday evening of the annual Week of Prayer series which was held at the Christ Lutheran Church with the pastor, the Rev. Dr. Robert W. Koons, in charge of the service and the Rev. Donald Treese, Methodist pastor, giving the final sermon.

His theme was "Prayer and Common Sense" and he said: "A lot of prayer is a lot of nonsense. People pray without expecting answers and such prayer is a farce because if we got what we prayed for we would be on a new pathway and would have a new price to pay."

He continued by saying "It is often to our advantage when God refuses our pleas. We would often do better with less prayer and more decisions for ourselves." He cited the 100 years of struggle for brotherhood and civil rights as illustrating the need to both "work and pray."

Mrs. Jacob Heikkinen served as organist.

The appreciation of the Gettysburg Ministerium for the news coverage given the series by The Gettysburg Times was expressed at the service.

The series began last Sunday evening and continued each evening last week excepting Saturday.

Driver Dozes And Hits Parked Auto

Damage totaled \$500 when two cars collided a mile south of Abbotstown on the Hanover Rd. at 3:40 Saturday morning.

State police said Earl E. Zeigler, 41, Camp Hill, was driving north when his car left the highway and struck a parked car of Harold Eugene Brown, 10, Hanover R. 5, causing \$250 damage to each vehicle. Police said Zeigler fell asleep while driving and thus his car left the road.

Alter Times' Deliveries Of Today's Paper

Because of the severe snow storm and the many impassable roads, carriers, especially those driving motor routes will be unable to make complete deliveries today of The Gettysburg Times.

Every effort will be made to deliver today's edition to the carriers in all the outlying towns and to those dealer stops where more than one subscriber calls for his paper. However, it is not known to what extent deliveries can be accomplished. Carriers will do their best. Subscribers who cannot be reached today will receive today's and Tuesday's edition Tuesday afternoon.

State highway workers were compelled to devote their snow-removal efforts today to the main highways. They were striving to keep them open for vehicular traffic. As soon as possible they were to be sent to the secondary roads for snow removal work.

WGCT devoted considerable air time today to announcing school closing, cancellation of meetings, postponements, etc. It also expanded its local news broadcasts to keep its listeners informed of activities, especially for those who would be without a newspaper today.

Two Youngsters Given Treatment

David Hemler, 9, son of Mr. and Mrs. William Hemler, 512 York St., was treated Saturday evening at the Warner Hospital for a laceration of the scalp suffered when he fell while climbing over rocks.

Ronald J. Roth, 14-month-old son of Mr. and Mrs. George Roth, Biglerville, received treatment for burns of the face and neck after pulling the cord of an electric fry pan and spilling the contents on himself.

LIONS CHANGE PROGRAM

Gettysburg Lions will see a film on the '63 football season at Gettysburg College this evening at their meeting at the Varsity Diner. The program originally planned for the evening was cancelled because James Tarman, Penn State public relations man, was unable to come here for the speaking engagement.

Joint Authority Seeks To Keep Peace In Canal Zone

By JOE MCGOWAN Associated Press Writer PANAMA (AP)—The United States and Panama agreed today to set up a joint authority with the Organization of American States to try to keep peace along the riot-bloody Canal Zone border, diplomatic sources reported.

The five-man delegation from the OAS arranged for a final meeting today to settle technical details for the peace authority proposed by Argentina.

Informants said the United States and Panama would each have one military man and civilian on the authority, with a neutral OAS representative as chairman. Alfredo Vazquez Carricosa, Colombian ambassador to the OAS, has been proposed, they added.

Diplomatic sources said it had not been decided whether the peace-keeping group would use military or civilian forces to police the border area. It was said

PRAYER WEEK SERVICES END AT FAIRFIELD

The Fairfield Community Week of Prayer series concluded Sunday night with the Rev. Vincent Harding, of Atlanta, preaching to a crowded Zion Lutheran Church on the subject "Praying for Strength to Love and to Work and Die" and the Rev. Gerhard Klaassen, pastor of the Fairfield Mennonite Church, leading the evening worship.

A girls' sextet of Zion Lutheran Church under the direction of Mrs. Otto Kroeger, accompanied by Thomas Kittinger, sang "O Nightingale Awake" and Mrs. Carolyn Topper accompanied by Miss Donna Jean Myers, from St. John's UCC, sang "It Is No Secret."

Pastor Harding, representing the Mennonite Central Committee, a service organization, told the audience that God "has been trying to break through our defenses and make us see our faults and God will not be stopped, nor can His will be put aside. Time must be grasped by human beings for time by itself will not take care of anything."

Mr. Harding said "We must repent, be baptized and receive the Holy Spirit." To repent and be truly baptized, said the speaker, means that "we no longer see ourselves as whites, blacks, Americans, denominations first but as Christian brothers first. If we are not ready and willing to see Christ's other brothers as our own brothers, then we are not worthy of the name Christian."

"God's blessing," said the Atlanta preacher, "brought to Jesus a driving urging into the world where nothing was predictable except the presence of God. In Fairfield if we take repentance, baptism and the coming of the Holy Spirit seriously, then it may take the community to many unpredictable areas. It might drive us to read more than personal journals, to raise questions (Continued On Page 3)

DR. QUANBECK LAUDS SECOND VATICAN MEET

Vatican II is the "greatest religious event of our time," Dr. Warren A. Quanbeck, visiting professor of systematic theology at the Gettysburg Lutheran Theological Seminary told the Holy Name Society of St. Francis Xavier Catholic Church Sunday morning at its annual Communion breakfast in the parochial school.

Dr. Quanbeck, one of 60 observers who attended the recent sessions of the Ecumenical Council at the Vatican, said that "the movement is great" in churches throughout the world, and "the great event of the '60s is that the Roman church has entered on an ecumenical movement of its own."

LAUDS POPE JOHN

Praising Pope John XXIII, he said, "John apparently was meant to be a transitional Pope, and he truly was a transitional Pope in a way no one could have foreseen when he was elected. He was a most unusual man. We all love simplicity, spontaneity and humility and Pope John was all of these. This great love of person, this great spirit of charity which imbued Pope John was a great gift of God not only to the Catholic Church but to the whole world."

As a result of Pope John's "new opening," the "Christian community, which had been divided and avoided each other and observed only the minimal courtesy, now, through the impact of one great free spirit, has been moved to the point where we seek in charity and friendliness to look at the things that divide us. They are theological and they can be solved only by discussion.

MORNING SERVICE

"It was a great experience in itself merely to see the 2,100 bishops gathering for the council in the mornings. This was a tremendous sight. The Mass said each morning was a great experience. A special altar was set up for the Masses said daily at the council. And it was a great emotional experience to see each day the enthronement of the gospel on the altar following the mass to symbolize the authority of the Gospel.

"The discussions were held in Latin and while we could understand the broad accents of the western American bishops and even the English, although it was interesting to hear Latin with an English accent, and the Italian bishops, some of whom spoke Latin as if it were still a living tongue, we had great difficulty with the Spanish and Portuguese and some of the French bishops' Latin and we were deeply grateful for the translators provided the observers.

REGRETS REPORTING

"I felt it was regrettable that some of the reporters wrote of the council as if it were 'good guys versus the bad guys.' This was not true. These were fine men, good men, with a sense of humor."

"There were tremendously moments, one of them when the Bishop of Baton Rouge spoke on (Continued On Page 3)

G. E. HAGERMAN DIES ON SUNDAY

George Ellsworth Hagerman, 69, 905 Elm Ave., Hanover, died Sunday afternoon at 3:50 o'clock at the Hanover Hospital after a long illness. He had been employed by the Metropolitan Edison Company for a number of years and was an Army veteran of World War I service.

He was a son of the late Harry and Sarah (McMaster) Hagerman. His wife, the former Esther Spalding, died in 1948.

Surviving are these children: Mrs. Ethel Marchio, 257 Third St., Hanover; Mrs. May Banker, Tempe, Ariz.; Catherine and Mrs. Yvonne Reck, both at home; a brother, Edward, and a sister, Mrs. Doris Lookinbill, both of (Continued On Page 3)

Cigarette Smoking Called Major Cause Of Cancer Of Lungs In Federal Report

By JOHN BARBOUR WASHINGTON (AP) — The American smoker—still lingering over the grim facts of a federal report branding cigarettes a health hazard—is center stage to a big audience this week.

Legislators, investors, tobacco growers, cigarette manufacturers, legal and health authorities want to know first and foremost: Will he quit or not? Will he cut down? What will happen to cigarette sales?

Just how loud will the public reaction to the federal report be?

On those questions hinge a number of important decisions in coming days.

The tobacco companies have been invited to meet with the Television Code Review Board in Miami Beach Jan. 22-23. Subject: The federal report and what it means to cigarette advertising on television.

Worst Blizzard Of Winter Chokes Highways, Closes All County Schools Today

By THE ASSOCIATED PRESS A massive snowstorm, described by the Weather Bureau as the winter's worst, snarled across the eastern United States today.

Numerous highways were blocked, hundreds of motorists stranded and communities isolated as gale-force winds piled the snow into drifts as much as 10 feet deep.

From two to five inches of snow has fallen on greater New York and up to six inches were expected before the storm blows out to sea this afternoon.

The Weather Bureau in Washington issued a heavy snow warning for New York, New Jersey, Pennsylvania and all but the northern part of New England.

DRIFTS, WINDS

Western Pennsylvania received from 5 to 10 inches of snow which began falling Sunday afternoon and was still coming down Monday morning.

Huge snow drifts were piled up by 50-mile-an-hour winds in central Illinois, Indiana and Ohio.

The Weather Bureau urged motorists in the Midwest and East to stay off the highways in storm areas or run the risk of becoming snowbound in near-zero weather.

That fate already has befallen hundreds of motorists.

500 STRANDED

In Illinois, some 500 motorists became overnight guests of the 1,200 citizens of Neoga, a farm community which opened the local American Legion hall and Masonic Temple to accommodate stranded travelers.

In Indiana and Ohio, other hundreds of motorists abandoned autos on snow clogged highways and sought shelter at service stations, road houses and farms.

Springfield, the capital of Illinois, was virtually isolated with only one main highway into the city open. A few miles south of Springfield, 25 Boy Scouts on a weekend camping trip awaited rescue today at their snowbound camp site.

CLOSE SCHOOLS

Schools were closed in the suburbs of Washington, D. C., while in the nation's capital, stringent snow plans which forbid motorists to block traffic or park on main streets being plowed were put into effect.

Hundreds of schools in the Midwest, Kentucky, West Virginia and Pennsylvania were closed.

Cancellations

The annual congregational meeting of the Gettysburg Presbyterian Church will be postponed from tonight until next Monday evening at 8 o'clock.

The Gettysburg Rotary Club announced this morning that its weekly dinner session at the YWCA has been cancelled.

The PCBL meeting to be held tonight has been postponed until Wednesday evening.

The Gettysburg Fire Company Auxiliary, which was to have met this evening, has postponed its session.

The meeting of the Gettysburg Barracks of Veterans of World War I scheduled to be held this evening has been postponed to a date to be announced later.

When a scheduled speaker from Chambersburg cancelled his plans to attend the weekly dinner meeting of the local Kiwanis Club this evening at the Lamp Post Tea Room, the club announced the meeting was being cancelled.

Decisions Ahead

On those questions hinge a number of important decisions in coming days.

The tobacco companies have been invited to meet with the Television Code Review Board in Miami Beach Jan. 22-23. Subject: The federal report and what it means to cigarette advertising on television.

The new report—14 months in the making—cited cigarette smoking as the major cause of lung cancer, a significant cause of cancer of the larynx, and associated it with a number of (Continued On Page 3)

SCRANTON'S NAME BLOOMS IN GOP RACE

HARRISBURG (AP)—Republican political leaders at the state and national level continued this past weekend to toss Gov. Scranton's name into the GOP presidential picture despite the chief executive's persistent disclaimers.

In rapid-fire order: —GOP National Chairman William G. Miller said Sunday that he has information indicating Scranton will enter the race for the party's presidential nomination.

—State Chairman Craig Truax said he "was not surprised" at Miller's statement and added he, and many others believe Scranton "will be involved in it before the year is over."

—Scranton's attorney general and trusted confidant, Walter E. Alessandro, touted his boss as a "real prospect... the brightest darkhorse we've ever seen as a presidential candidate."

—The state GOP executive committee adopted a formal resolution Saturday urging Scranton to become an active candidate for the nomination.

Through it all, Scranton held to his oft repeated public position that he is not a candidate and, in fact, did not want to become one.

The governor's only announced intention is to lead the state delegation into the national convention in July as a "favorite son" in order to present a unified front.

His only concession to the presidential boom thus far is an acknowledged willingness to accept a "sincere and honest" draft, which he, personally, considers a remote possibility in this day of modern politics.

But his public reluctance has done little to quiet the boom that has been building ever more steadily since the assassination of President Kennedy.

Miller, appearing on the CBS radio and television program "Face the Nation," said that people close to Scranton have assured him they expect the governor to announce his candidacy.

HUGE VESSEL BEGINS TRIP

PHILADELPHIA (AP)—A 175-ton pressure vessel for an atomic powered electric plant was on its way to Peach Bottom, Pa., today on a round-about journey that will take it to three weeks.

The pressure vessel, for Philadelphia Electric Co.'s atomic powered plant, left the Baldwin-Lima-Hamilton Corp. shops at nearby Eddystone, where it was built, Sunday.

The first major step was taking it across the Pennsylvania Railroad's mainline tracks. Power in the railroad's 16,000-volt overhead lines was shut off and traffic halted when the giant vessel was inched across.

To avoid traffic the pressure vessel will go by barge part of the way. On the roads it will move at two-miles-an-hour. Part of the journey is through Maryland and highway officials of that state said the load will be the heaviest ever carried on state roads.

The twisting journey is 102 miles long—about twice the air miles from Eddystone to Peach Bottom.

LONDON (AP)—The first heavy snow of winter disrupted rail and highway traffic in England today. A blizzard left up to a foot of snow in parts of the south coast.

At London Airport, motorized sweepers kept runways open and mechanics used de-icing fluid to clear the wings of airliners before takeoff.

Gusts of wind up to gale force barred shipping and the 2,700-ton British government cable ship *Scuttlugh* was blown aground in Scotland's Firth of Clyde.

Weather

Extended forecasts for Jan. 14 through Jan. 8.

Middle Atlantic States—Temperatures will average 5 or 6 degrees below normal. Warmer Wednesday and Thursday. Rain or snow about Friday or Saturday may total one half inch.

Eastern Pennsylvania, southeastern New York and New Jersey—Temperatures are expected to average 3 to 10 degrees below normal. Cold through middle period with a moderating trend towards the end of the week.

Precipitation may total over one half an inch occurring as snow flurries in mountains most of period and general snow over the entire district toward the end of the period.

Western Pennsylvania and western New York—Temperatures will average 7 to 9 degrees below normal. Cold early part of week followed by slowly moderating temperatures latter part of week. Precipitation will average two-tenths to three-tenths of an inch melted as snow flurries.

Car Destroyed When Struck By Train

A Hanover R. 5 man escaped with minor lacerations when his car was demolished when it was struck by a freight locomotive at the Western Maryland railway crossing at North St., Hanover, Saturday about 7 p.m.

The man, John B. Alwine, 54, refused medical attention. Hanover police said. Police said the train, heading east, was pulling a long string of freight cars which blocked traffic for about a half an hour.

Police said Alwine's car was pushed about 300 feet along the railway's right of way. The freight train was in charge of Conductor Melvin B. Renoll, Hanover R. 3, and Engineer W. L. Bateman, Finksburg R. 1, according to police.

Autos Collide, Damage \$2,200

Spring Garden Twp. police reported no one injured in a two-car accident at 1:25 a.m. Saturday on Richland Ave., York, which caused an estimated \$2,200 damage.

Patrolman C. E. Emig Jr. said William B. Baker, 20, Abbotstown, was stopped to make a left turn when his car was struck by the southbound automobile of Richard W. Bolton Jr., 22, York.

Emig said the Baker car was demolished at a loss of \$1,000 and estimated damage to the Bolton convertible at \$1,200.

WINS SECOND IN STATE CONTEST

Miss Sally Lott, Gettysburg R. 4, won second place in the state 4-H home economics cotton dress competition at the State Farm Show in Harrisburg today.

Miss Lott and Miss Anita Slot, York Springs, both placed in the district home economics competition this morning. Miss Slot won second place in the District III gathered skirt competition and Miss Lott placed first in the district cotton dress event. The first place winners in the district competition were then judged for a state winner, and Miss Lott's entry came in second.

Miss Muriel Hartman, Wade Ave., won first place in the District 4-H evening gown competition.

Two counties won district placings today in the third and fourth-year class of the 4-H mounted insect competition. Carol Rex, Biglerville R. D., was second and John Lott, Aspers R. 1, third.

World War II Vet Dies Sunday At 51

Michael Vincent Staub, 51, 415 Main St., McSherrystown, a World War II veteran and former employee of the Hanover Shoe Company for 10 years, died Sunday afternoon at 3 o'clock in the Hanover Hospital where he had been a patient since January 3.

Mr. Staub was a son of the late Francis X. and Mary Adams Staub and served in France during World War II. He was a member of the Annunciation of the Blessed Virgin Mary Catholic Church in McSherrystown, the Holy Name Society and the Knights of Columbus.

Surviving are a sister, Mrs. Colette Miller, New Oxford R. 1; a half sister, Mrs. Curvin Altland, Abbotstown, and a number of nieces and nephews.

Interment will be in the parish cemetery. Friends may call at the funeral home Tuesday evening and the Rosary will be recited there at 8 p.m.

Bendersville Had 1 Fire Alarms

Bendersville firemen responded to 21 fire calls during 1963, one less than the 22 to which they were summoned in 1962.

According to the report by C. Duane Bretzman, quick-call representative, the fire included 11 grass and forest fires and in which more than 1,200 acres were burned over.

There were two houses, two labor camps, two barns, one shed, one chicken house, one car and a combine on fire, to which the firemen were summoned.

Damage in the various blazes totaled more than \$50,000. The Bendersville firemen during the year were called to assist, or summoned to assist them, these fire departments: Arendtsville, Aspers, Biglerville, Mt. Holly Springs, York Springs and the fire crews of the state Department of Forests and Waters.

Three Wills Are Placed On Record

The will of Elizabeth K. Smith, late of Coneago Twp., who died January 6 at the age of 82, in Tampa, Fla., has been entered for probate at the office of the county register and recorder. A nephew, Edward C. Smith, Harrisburg, is executor of the \$7,500 estate which is divided between Smith and a sister of the deceased, Bertha J. Sappington, Tampa, Fla., after allocation of \$250 for Masses and \$200 to the Coneago Chapel Cemetery Association.

The will of Robert T. Alexander Sr., late of Mt. Pleasant Twp., who died December 18 in his home, New Oxford R. 2, at the age of 62, has been entered for probate by the executor of the \$5,500 estate, a daughter, Betty, McSorley, Baltimore, Md. The will provides for division of the estate among the wife and children.

The will of Cecil E. Gulden, who died January 6 at age 80 in his home, Mt. Joy Twp., has been entered for probate by a son, Harold E. Gulden, Gettysburg R. 1. The \$10,000 estate is left to the wife and son.

Charge Countian With Shoplifting

Mrs. Evelyn M. Yingling, 54, Gettysburg R. 5, Saturday night was charged with shoplifting by Hanover police before Justice of the Peace William Y. Naill.

Police said the woman was observed by a Frederick St., Hanover, resident in the hallway of his apartment placing two pairs of men's trousers in a garbage can. The trousers were from a Hanover department store, police said.

Huge Bomber Crashes And Burns Today

CUMBERLAND, Md. (AP)—A huge jet bomber of the Strategic Air Command carrying two unarmed nuclear weapons and a crew of five crashed and burned in the Appalachian Mountains today.

"There is no danger of nuclear explosion," said Air Force officials, adding that explosive experts were en route to the scene.

The eight-engine B52 fell to earth in a blinding snow storm at the foot of Big Savage Mountain in western Maryland, about 20 miles west of Cumberland. It was enroute from Westover Air Force Base, Mass., to its home station at Turner Air Force Base, Ga.

CANNOT EXPLODE "There is no need of evacuation," said the Air Force announcement from Westover, FB.

The Air Force explained that an unarmed nuclear weapon contains nuclear material but cannot explode until a crewman takes action to activate it.

State Troopers put a security ring around the wreckage.

The Air Force said three teams of experienced explosive ordnance disposal teams were dispatched from Westover.

Turner and Andrews Air Force Base, Md., but said this was routine.

ENROUTE TO BASE The swept-wing SAC bomber was returning to its base in Georgia from a bomber-alert training mission, the 8th Air Force announcement said, and landed at Westover because of weather conditions.

It took the troopers from Cumberland five hours to reach the rugged, isolated area at the foot of the 2,788-foot mountain. There was 15 inches of snow on the ground and it was still snowing.

Air Traffic Control in Washington made the last radar contact with the plane about 1:40 a.m. The craft had left Westover shortly before 1 a.m. and had been due at Turner at 3:15 a.m.

DIES ENROUTE TO HOSPITAL

James L. O'Connor Sr., 68, Gettysburg R. 5, was dead upon arrival at the Warner Hospital on Saturday at 2:30 p.m. He had been in ill health and under the care of a physician for some time.

A native of Baltimore, he was a son of the late Daniel and Margaret (Krib) O'Connor.

Surviving are his wife, Mrs. Ida (Dryer) O'Connor; two sons, James L. O'Connor Jr. and John D. O'Connor, both of Gettysburg R. 5; seven grandchildren and one great-grandchild; one brother, John O'Connor, Pontiac, Mich., and one sister, Mrs. Margaret Messmering, Baltimore.

Mr. O'Connor was a member of St. Joseph's Catholic Church, Bonneauville. He was a veteran of World War I.

Funeral services will be conducted on Tuesday morning, meeting at Little's Funeral Home, Littlestown, at 9:15 a.m. High Requiem Mass will follow at 10 o'clock in St. Joseph's Church, Bonneauville. The pastor, the Rev. Louis W. Forgeng, will be the celebrant. Interment will take place in St. Joseph's Cemetery. Friends may call at the funeral home this evening. Prayers will be led by Father Forgeng at 8 o'clock.

AGENTS FIND BIG PA. STILL

KUNKLE, Pa. (AP)—Federal and state authorities disclosed today they were guarding a barn on a Pennsylvania farm that housed, among other things, a horse, a cow, two goats and parts of a still capable of turning out \$2 million worth of illegal alcohol a year.

Agents of the Internal Revenue Service's Alcohol and Cigarette Tax Division and the state Liquor Control Board and state troopers raided the big red barn near this northeastern Pennsylvania community Friday. They arrested one man, but hoping to catch others, kept quiet about their find. No one else was arrested, however.

Willard Rau, who operates the farm, was taken before a U.S. commissioner last Friday and held in \$1,000 bail on federal liquor tax charges.

AIM TO CUT SMOKING BY YOUNG FOLK

PHILADELPHIA (AP) — A former U.S. surgeon general after reviewing the latest study on cigarette smoking, said "we can—we must—do better than we have done in telling the public about the evils of cigarette smoking."

Dr. Leroy E. Burney said over the weekend that a massive campaign must be launched to keep young people from acquiring the smoking habit and to help adults break it.

Burney was the U.S. surgeon general in 1957 when the Public Health Service first linked cigarette smoking to lung cancer. However, Dr. James Z. Appel, of Lancaster, Pa., secretary-treasurer of the American Medical Association's education and research foundation, said that no matter what the statistical relationship between heavy smoking and lung cancer might be, he doubts people will stop smoking. Dr. Appel said science must find out what the dangerous elements are in cigarettes and find ways to remove them.

Dr. Burney, now vice president of health services for Temple University, said the newest government report saying cigarette smoking is a health hazard is "wonderful." He said it is "what I expected."

Dr. Burney is a pipe smoker. "If you have to smoke something, a pipe is the lesser of two evils," he said in an interview at his home in suburban Bryn Mawr.

Former Boy Scout Official Is Dead

David E. Horn, 66, founder and president of the D. E. Horn Company, died Saturday at 9:30 p.m. at his home in York. His widow is Hattie Arnold Horn.

Mr. Horn founded the feed and grain business which bears his name in 1919 and served continuously as its president. He was also a director of the National Bank and Trust Company of Central Pennsylvania.

He was treasurer of York-Adams Area Council, Boy Scouts of America, and had also served as its president.

Funeral services will be held at Union Lutheran Church, York, Tuesday at 2 p.m. with his pastor, Rev. Robert P. Calhoun, officiating. Interment in Greenmount Cemetery.

In lieu of flowers, contributions may be made to York-Adams Area Council, Boy Scouts of America or York County Heart Association.

NORTH HOLLYWOOD, Calif. (AP)—Walter H. Donovan, 75, Hollywood songwriter who composed such tunes as "One Dozen Roses" and "Aha Daba Honey-moon," died Thursday of a heart attack. Donovan was a vaudevillian before settling in Hollywood to write songs.

"PYRAMID OF LIFE"

Life is a giant pyramid . . . all mankind tries to climb . . . but very few will reach the top . . . for there's so little time . . . for each and every small advance . . . is met with misery . . . the way is there before us . . . yet our eyes cannot see . . . what makes us seek this citadel . . . atop life's pyramid . . . what makes us struggle on and on . . . after each sudden skid . . . perhaps it's gold or that impostor . . . known to us as fame . . . or maybe human nature . . . should assume the blame . . . whatever the reason for it is . . . it never seems to end . . . until that day when fate decrees . . . the mightiest descend . . . it's then we come to realize . . . how foolish was the quest . . . for only the humble and content . . . can really pass the test.

the race issue. Speaking for the bishops of the South who are covered by the scars caused by their courageous stand on the race issue he urged the Council go on record so that no one might misunderstand the church's position on race.

"And there were theologians whose insight was so deep that all Roman and non-Roman alike, learned much and revised their concepts."

"We Protestants regard Pope Paul as a great Christian figure."

PRAYED TOGETHER

"We believe that through his pontificate the dialogue between us will continue. When we met with him in an audience he said 'Since we are all members in Christ by baptism I ask you to pray with me the Lord's Prayer.'"

"Pope John was no theologian, and as a result he could begin this work of unity. Pope Paul is a highly sophisticated theologian and thus he can continue the dialogue."

"There are two things we must keep in mind. Protestants and Catholics are not two grocery chains competing with each other for the business of the world. We are both trying to serve the common glory of Christ. And the second thing to keep in mind is that we have not solved all the problems of our division. They have been accumulating for 400 years and more. They will not be immediately overcome by good will."

HAVE LOYALTIES

"Each church finds itself bound by loyalties and by prejudices. In the recognition by both sides that 'we too are sinners,' a notable beginning has been made. But man cannot overcome the difficulties. Our only hope is that God's Holy Spirit may lead us that we may move to a time when all these difficulties can be overcome."

Rev. Fr. Joseph P. Kealy, pastor of St. Francis Church in thanking Dr. Quanbeck for his "outstanding talk" and thanking Dr. Francis Reinberger of the seminary for attending the breakfast, told the Holy Name men, "We should all thank God we are living in these days when we see a movement in the world to bring Christianity together again."

TOBACCO STOCKS SLUMP

NEW YORK (AP)—Prices of tobacco company stocks slumped on the New York Stock Exchange today in first reaction to a U.S. Public Health Service report that smoking is a health hazard.

The rest of the market was a mixture of small gains and losses.

Opening of trading in American Tobacco, Rynolds and Lorillard was delayed because of an influx of sell orders.

Liggett & Myers fell \$2.75 to \$71.50, Lorillard \$1.50 to \$43.75, Reynolds \$1.50 to \$41, Philip Morris \$1.25 to \$73.75 and American Tobacco 62 cents to \$27.87.

GRIFFITH IS GIVEN HONOR; PULLS SWITCH

NEW YORK (AP) — There were the usual awards and the usual cries for and against federal control of boxing but welterweight champion Emile Griffith pulled a switch. He received one award and presented three others.

Sen. Kenneth B. Keating, R-N.Y., and Harry Markson, director of boxing at Madison Square Garden, said once again that boxing needed a federal commissioner while Julius Helfand, now a State Supreme Court judge and formerly chairman of the New York Athletic Commission, said federal control was not necessary.

But it was Griffith, presented with the Edward J. Neil Memorial Plaque as Fighter of the Year, who stole the show at the Boxing Writers Association's annual dinner Sunday night.

HONORS COMANAGERS

After Griffith was presented with his trophy by BWA President Barney Nagler, he surprised the crowd of about 500 by announcing that he had something for three men who "made me what I am today."

He then presented beautiful trophies to his comanagers, Gil Clancy and Howard Albert, and trainer Syd Martin.

Earlier Markson had been given the James J. Walker Memorial Plaque for long and meritorious service to boxing and special awards were bestowed on Philadelphia promoter Herman Taylor, boxing veteran Dennis (Dinny) McMahon of Hartford, Conn., and Willard Mullin, sports cartoonist of the New York World-Telegram and Sun.

sent to remove British citizens if necessary.

The revolt occurred a month and two days after Zanzibar gained independence. It was a British protectorate for 73 years. Zanzibar remained in the British Commonwealth. The rebel broadcasts gave no indication that this tie would be broken.

NAME PRESIDENT

The rebel station said Sheikh Abeid Karume, head of the Afro-Shirazi party, was named president of the new republic. Sheikh Abdul Rahman Mohamed Babu, whose Umma party was banned earlier this month for reportedly trying to incite a revolt, was named foreign minister. Kassim Hanga was made prime minister.

The Afro-Shirazi party favors close ties with other newly independent African nations. The Zanzibar Nationalist party, which headed the ousted coalition government, was isolationist and conservative.

U.S. sources consider Babu pro-Communist and his party Communist-oriented. Although Babu is an honorary title meaning "learned one" in Arabic, that is the name by which he is known.

Babu was in Dar-es-Salaam conferring with Tanganyikan President Julius Nyerere when the revolt broke out.

others were wounded, bringing to 24 the death toll since a flag-raising incident in the Canal Zone Thursday set off the fighting. Three of the dead were U.S. soldiers.

The U.S. Army said the slain guardsman apparently was caught in a crossfire between snipers and U.S. soldiers. The Army said the guardsman was hit by a high velocity bullet while the U.S. troops were using shotguns. Panamanian guardsmen searched border streets on the Colon side for snipers.

Prints Displayed In Local Gallery

An exhibition of contemporary prints on loan from the Philadelphia Print Club is now on view in the art gallery of Christ Chapel at Gettysburg College.

The show includes woodcuts, intaglios, lithographs and silk screened prints and presents a number of diverse methods and points of view ranging from non-figurative, geometric images to representational work. Especially compelling is a striking woodcut by Carol Summers, showing a powerful, offbeat sense of color. The show will hang through January 19 and is open to the public. From January 26 through February 16 there will be an exhibition of 20th Century religious prints from the Museum of Modern Art, New York. Among the artists included will be Ensor, Corinth, Nolde, Barlach, Beckmann, Rouault, Matisse, Picasso, Redon and Chagall.

THEFT OF RELIC MUSHROOMS INTO VIOLENCE

By HENRY S. BRADSHAW
NEW DELHI, India (AP) — The theft of a sacred Moslem relic in Kashmir has mushroomed into the worst outbreak of Hindu-Muslim violence since hundreds of thousands were killed in the 1947 massacres that followed partitioning of the Indian subcontinent.

Hindus are killing Moslems in Calcutta, India's largest city, and Moslems are killing Hindus in villages of East Pakistan, just east of Calcutta. Both Indian and Pakistani governments are reluctant to disclose the full horror of what is happening, partly for fear that the violence will spread.

The official death toll in the Calcutta area was 75 Sunday. Unconfirmed reports circulating in responsible quarters in Calcutta indicate the number is far higher.

OLD HATREDS

The highest figure responsibly reported from East Pakistan is 29 deaths. But Hindu refugees reaching Calcutta have indicated the number is greater.

Hatred between Hindus and Moslems has long existed in what used to be British India. It stems from economic and power rivalries as well as religious differences.

When the British prepared to give India independence, the Moslems demanded a separate nation. Pakistan was carved in two pieces out of the subcontinent.

Many Hindus found themselves living in Pakistan or many Moslems in India. Millions left their ancestral homes to migrate. In the mass transfer, hundreds of thousands were killed in an orgy of vengeful communal warfare.

about our nation and to ask unpopular questions about our churches and ourselves and this we all must do when the Holy Spirit blows upon us after our repentance and baptism."

Again as in previous nights, a lively question-answer period followed the sermon.

Before the evening session, Mr. Harding met with the young people of the area. Sixty youth from the Lutheran, Mennonite, United Church of Christ, Presbyterian and Brethren in Christ Churches ate box lunches following which the Atlanta guest led them in a discussion of race relations in Adams County as it pertains to them in school and in the community.

other cancers from those of the oral cavity to the bladder.

CALLS FOR ACTION

And there was an association—but not yet a proof of cause—between cigarettes and heart and blood vessel disease, and peptic ulcers.

So strong is the evidence of health hazard, the committee said, that it called for corrective action.

The surgeon general's Advisory Committee on Smoking and Health surprised most observers with the strength of its denunciation of cigarette smoking. Even an official of the American Cancer Society, long an enemy of cigarettes, said he was pleasantly surprised by the forthrightness of the report.

ASK MORE RESEARCH

But there appeared to be initial caution on the part of regulatory federal agencies—despite assurances the report would be studied closely and that there would be no foot-dragging in filling what the scientific committee called a need for remedial action.

The Tobacco Institute, speaking for the industry, reiterated earlier stands it has made to the lung cancer charges.

George V. Allen, institute president, said the surgeon general's report would get careful study and that it was not the last chapter in the cigarette story. He called for more research.

Few persons close to the situation—even avowed enemies of smoking—consider the possibility of a prohibition of cigarettes. Even Sen. Maurice Neuberger, D-Ore., said in his recent book attacking smoking that prohibition would not work.

But she does plan to introduce two bills this week, one to put a cautionary label on cigarettes, the other to start a federal educational program against cigarette smoking.

The success of either proposal in Congress will certainly depend on public demand, and how heavy it weighs against a 7.3 billion-a-year industry and the economic impact on 750,000 tobacco-producing farm families.

Sales slid when the American Cancer Society in 1954 linked smoking to a shorter life, lung cancer and other disease, but sales soon recovered.

GROW YEARLY

In the United States sales of cigarettes continue to grow each year. And so do the numbers of deaths from lung cancer. The yearly toll is now 41,000.

Tobacco stocks on the New York Stock Exchange, however, have never quite got over the traumatic linkage of cigarettes and lung cancer. The levels are on the low side of some middle ground, and far from historic highs.

GAME POSTPONED

The Waynesboro West-Gettysburg Junior High School basketball game, scheduled for here this evening, has been postponed until Wednesday evening because of the snowstorm.

WASHINGTON (AP) — The Supreme Court struck down today a Louisiana law requiring designation of candidates for all elective offices in the state.

The decision was given on an appeal by two Negroes who were unsuccessful candidates for nomination as school board members of East Baton Rouge Parish in a Democratic primary election of July 28, 1962.

Justice Clark delivered the unanimous decision.

Peter Hall Named To All-Phila. Team

Peter Hall, son of Dr. and Mrs. C. Fremont Hall, Phoenixville, recently was named to the all-scholastic soccer team for Philadelphia and its suburbs. He is a grandson of Mrs. C. W. Stock, Harrisburg St. His mother is the former Angela Stock of Gettysburg.

Peter is a three-letter man at Haverford in soccer, squash and tennis. In summers he sails for the yacht club of Stone Harbor, N. J., and is rated as one of the resort's better water skiers. He is also an accomplished fisherman and last summer boated a 92-inch white marlin off the Jersey coast. Hall is also a scholastic honor student at Haverford and ranks in the top fifth of his class.

Highlights Of Report On Cigarettes And Health

By THE ASSOCIATED PRESS
WASHINGTON (AP) — Highlights of the report to the surgeon general of the United States by his Advisory Committee on Smoking and Health:

Cigarette smoking is a health hazard of sufficient importance to warrant appropriate remedial action.

Cigarette smoking is causally related to lung cancer in men; the magnitude of the effect of cigarette smoking far outweighs all other factors.

The data for women, though less extensive, point in the same direction.

In comparison with non-smokers, average male smokers of cigarettes have approximately a 9 to 10-fold risk of developing lung cancer and heavy smokers at least a 20-fold risk.

The risk of developing cancer of the lung for pipe smokers, cigar smokers, and pipe and cigar smokers is greater than for nonsmokers, but much less than for cigarette smokers.

The casual relationship of the smoking of pipes to the development of cancer of the lip appears to be established.

Cigarette smoking is a significant factor in the causation of laryngeal cancer (cancer of the larynx, or "voice box") in the male.

Cigarette smoking is the most important of the causes of chronic bronchitis in the United States.

and supplied them with ideas for proper color schemes. Mrs. William Newman is leader and she was assisted by Mrs. Earl Schmidt, Mrs. Robert Rosenwald and Fran Eyer.

ed States, and increases the risk of dying from chronic bronchitis.

Women who smoke during pregnancy tend to have babies of lower birth weight. It is not known whether this decrease in birth weight has any influence on the biological fitness of the newborn.

A relationship exists between pulmonary emphysema (lowered efficiency of the lungs because of tissue "hardening") and cigarette smoking, but it has not been established that the relationship is causal.

For the bulk of the population of the United States, the importance of cigarette smoking is a cause of chronic bronchopulmonary disease much greater than that of atmospheric pollution or occupational diseases.

Among males, cigarette smokers have a greater prevalence of breathlessness than non-smokers. But cigarette smoking does not appear to cause asthma.

The death rate for smokers of cigarettes only, who were smoking at the time of entry into the study, is about 70 per cent higher than that for non-smokers.

The death rates increase with the amount smoked. For groups of men smoking less than 10, 10 to 19, 20 to 39, and 40 cigarettes and over per day, the death rates are about 40 per cent, 70 per cent, 90 per cent, and 120 per cent higher than for non-smokers.

ONE HUNDRED YEARS AGO

Leap Year: The year of our Lord one thousand eight hundred and sixty-four is bissextile or leap year. It is so called because it leaps over a day more than a common year; thus in common years there are 365 days, in leap year 366. It is said that during this year more bachelors committed matrimony than in the other three and for this several reasons have been assigned. Caring nothing about reasons, we hope the ball may commence rolling early in the year and continue until thousands shall be able to say in the language of Shakespeare: "She is mine own; and I as rich in having such a jewel, as twenty seas if all their sands were pearl, the waters nectar, and the rocks pure gold."

John M. Wolf, Abbeystown, has received a Clerkship at Washington. His department and salary we have not heard.

Jacob Trexell, Esq., entered upon his duties as County Treasurer last week.

Mr. Philip Doersom has sold his fine residence on York street to Hon. James Wilson for \$3,000 cash. Mr. James Wilson (shoemaker) has disposed of his house and lot on East Middle street to James A. Grimes for \$575.

Have we a good thing for a cold among us? Yes, Bryan's Pulmonic Wafers, 25 cents a box, will cure a cold in four hours, stop a cough in five minutes and heal your sore throat in a very short time. Try them. Sold by A. D. Buehler.

Young Men and Old Men: Do not allow your mothers and your wives to wear out their precious lives over the old washtub any longer but like true men and benefactors present them with an "Excelsior Washer" and instead of frowns and cross words on wash days, depend upon it cheerful faces will greet you. Fairfield: Geo. Mills sawed twice through and split 2 cords of hickory wood from 10:30 o'clock in the morning until dark. . . . While Samuel Walters was at work near his straw stack he heard a rather curious noise in the straw and after removing some of the straw he liberated one of his hogs that had been there for three weeks, but came out alright. . . . Part of the Week of Prayer was observed in this place. Services were held in the Lutheran Church and conducted by Rev. S. E. Smith.

Mummasburg: The farm of Ephraim Lady, deceased, was sold on Saturday to Mrs. Samuel Deardoff for \$3,000. . . . Charles Shultz, who had been west, has returned home. . . . The singing at this place was quite a success last Thursday evening. Prof. C. Bushey of Ohio was present and favored the society with three solos. The band also played three pieces. Mr. Bushey will be present next Wednesday evening. . . . The Mummasburg Cornet Band serenaded Mr. N. Miller on Saturday night.

Wenksville: The Wenksville Cornet Band went some time ago to the residence of Senator W. A. Martin where they were received very kindly by him. The band furnished some excellent music which did credit to the young organization. After partaking of a very nice oyster supper and other refreshments the band went home much pleased with their visit which was increased by the presence of a sum of money by the gener-

Today's Talk

PAST AND PRESENT

Too many people worry about their past. One's past is something that can never be lived over again. It's gone and no good can be had by building up regrets.

The present is something that we actually have every morning when we wake up. No one can take it away from us. We can review our past, and appraise it as we will, but we can do nothing about it after it is gone. Yet there are those who think they can!

Every morning is a new leaf — no matter how spotted and soiled the old one may have been. Much of the past, however, is full of rich and happy memories for all of us, and each one of these should bring to the present an aura of light.

Men and women of eminence — especially men — never seem to tire of telling about their humble origin and of their early struggles. As if by contrast they wish to prove the glory of work and achievement! The past becomes vivid to them — a picture of their early faith and dreams. Something very valuable for any of us to carry along with us as we strive for a more useful consummation of what we do.

One of the worst possible places to put a man or woman is in jail. It keeps reminding him or her of his or her past, whereas, if society is to be improved, permanently, some way must be studied out to nip the beginnings of lawlessness and crime. More boys' clubs, healthful athletics, outdoor work, interesting studies and projects in school, all contribute to a better state of society.

The past is a stern teacher. But the present doesn't like to go to school to it! All tragic wars are an example of our refusal. It costs so much more, in every way, to learn from the present, without any regard to the lessons of the past.

History is constantly repeating itself. Form and circumstance alone change. There are certain fundamental principles that thread their way throughout all human existence. But what we do in the present is what counts more for each one of us.

CAREER

There are some who build with brick and stone
And some who guide a pen,
But the greater art is to play a part
In the throbbing lives of men.

Though a page of print may lovely be
And pictures joy may bring,
To give men strength for this long life's length
Is by far the greater thing.

When the critics sit in their judgment halls
On the things men build or write,
They blame or praise in the narrow ways
Of hearing and of sight.

But what of that worth which the eye sees not
And no glass can quite reveal,
That subtle gift which has power to lift
The weight of the woes men feel?

What of that life which leaves no trace
In records of print or stone
Yet is graven deep in the dreams men keep
And is found in the faith they've shown?

There is much to be said for man's deeds of skill
And much for his works of art,
But beyond compare is that influence rare
Which has bettered the human heart.

METHODIST OFFICIAL BD. TO MEET

Next Sunday has been designated as "Methodist Progress Fund Anniversary Sunday" in Centenary Methodist Church. Brochures concerning the fund were distributed at the worship service Sunday. Further information on the fund is available from the treasurer, Mrs. William R. Jones.

The January meeting of the Official Board will be held on Wednesday at 8 p.m. at the church. This will be the last meeting before the Fourth Quarterly Conference on Tuesday, Jan. 21, 7:30 p.m. Dr. Edgar A. Henry, district superintendent, will convene the annual Fourth Quarterly Conference for the purpose of hearing reports and electing officers and transacting such other business as may be necessary. Each member of the Official Board is a member and expected to be present.

Mrs. Charlotte Byers, Mrs. Carrie Byers and Mrs. Estella Furlow will serve as hostesses at the monthly meeting of the Woman's Society of Christian Service at 7:30 p.m. on Tuesday at the church.

EX-PASTORS IN HOSPITAL

Centenary Senior Choir will rehearse at 6:30 p.m. Tuesday.

The Rev. William R. Jones, Centenary Church pastor, spoke on the subject, "The Beginning of a New Age," in First Methodist Church, Hanover, on Sunday evening.

The Rev. Mr. Jones delivered a sermon on the subject "Through the Looking Glass" and read the Luke 2:41-52. The choir sang the anthem "What a Friend," Converse, accompanied on the organ by Mrs. Estella E. Furlow.

The altar flowers were presented by the Girls' Class in honor of their teacher, Mrs. Paul Study.

The Rev. Wallace Cummings, Williamsport, and the Rev. Herman L. Stenger, Lewistown, both former pastors of Centenary Church, are now hospitalized.

The Rev. Mr. Cummings was threatened with a coronary attack nine days ago and was admitted to the Williamsport Hospital. The Rev. Mr. Stenger has been a patient in the Lewistown Hospital for a week.

BAPTIZE 2 AT CHRIST CHURCH

Two infants were baptized during the Sunday morning worship service in Christ United Church of Christ. The pastor, the Rev. G. Howard Koons, baptized Angela Lee Eller, daughter of David A. and Freda L. (Arentz) Eller, near town, who was born October 9, 1963; Trudy Sue Leppo, daughter of Donald H. and Mary E. (Hahn) Leppo, born October 21, 1963. The parents were the baptismal sponsors.

Alvin G. Gerrick, Donald L. Wolfe, Ray F. Slaybaugh and Clair E. Arentz served as ushers. Macklyn D. Warner was acolyte. The Rev. Mr. Koons delivered the sermon. A solo, "When Jesus Walked in Galilee," was sung by Miss Betty Lou Sell, accompanied on the organ by Fred A. Warner. A rosebud was placed on the altar in honor of Amy Sue Hahn, infant daughter of Mr. and Mrs. Fred A. Hahn. The bulletins were given by Mr. and Mrs. John H. Weikert. Flowers were placed by the Altar Guild and in memory of Samuel M. Keagy. Flower donors are asked to sign the 1964 flower chart or contact the Altar Guild which consists of Mrs. Orville C. Sentz, Mrs. Clair R. Markle, Mrs. Vernon S. Arentz and Mrs. G. Howard Koons. Treasurers of all organizations will kindly give their financial reports for 1963 to the pastor by next Sunday as these are needed for the report to conference. It was announced that a total of 413 persons received Holy Communion last Sunday and privately during the week.

Christ Church Choir will rehearse on Tuesday at 7:30 p.m. The January meeting of the King's Daughters Class will be held in the classroom at the church at 7:30 p.m. on Wednesday. The second weekly meeting of the catechetical class will be held at 1:30 p.m. on Saturday at the church.

WILL DISCUSS MALAYSIA FUSS

MANILA, Philippines (AP) — Philippine President Diosdado Macapagal today proposed a meeting with Malaysian Prime Minister Tunku Abdul Rahman to discuss their differences over Malaysia.

The Filipino Foreign Office said Macapagal was encouraged by the results of his recent meeting with President Sukarno of Indonesia and hoped to meet the Tunku "at the earliest possible opportunity."

In Kuala Lumpur, political sources indicated the Malaysian government would welcome the proposal.

The Philippines and Indonesia do not recognize Malaysia, which was formed in September, but Macapagal is less militant in his opposition than Sukarno and has been trying to mediate between him and Abdul Rahman.

JOHNNY KERR JOINS LIST OF "IRON MEN"

By THE ASSOCIATED PRESS
Johnny Kerr has joined baseball's Lou Gehrig, pro football's Leo Nomellini and hockey's Andy Hebenton on the list of sports "iron men."

Kerr joined the other three Sunday when he played in his 767th consecutive National Basketball Association game, both regular season and playoff, eclipsing the record set by his Philadelphia coach, Dolph Schayes.

Despite Kerr's continuing iron man efforts and a 19-point performance, the 76ers lost to the Boston Celtics, 123-112. Bill Russell scored 22 points and pulled down 30 rebounds for the Celtics, who maintained their two-game lead over Cincinnati in the Eastern Division.

WALLOP DETROIT
The Royals rode the scoring of Oscar Robertson and Jerry Lucas to a 120-88 wallowing of Detroit. In other games, Gus Johnson sparked Baltimore to a 117-113 victory over St. Louis and San Francisco pulled away in the last period for a 112-105 victory over New York's touring Knickerbockers at Oakland, Calif.

Willie Naulls scored 23 points and Sam Jones 21 for the Celtics, who built a 33-23 first period lead. The 76ers battled back to within 59-53 at the half, but Boston pulled away after that. Chet Walker was the high scorer for Philadelphia with 26 points.

HOLLYWOOD (AP)— Salvatore Santella, 67, pianist, conductor and composer, died Sunday at his Hollywood home. Santella, who composed scores for Hollywood musicals and Broadway shows, once studied under Russian composer Sergei Rachmaninoff.

A Lovelier You

By MARY SUE MILLER
OPEN SEASON FOR PERMS.
To be well-groomed, a woman can never put off 'til tomorrow the "do" she should have today.

Still you hear women say, "I really should have a permanent but I guess I'll wait until I buy my spring wardrobe." The idea, it seems, is to get fixed up in one fell swoop. What happens, meanwhile, shouldn't happen to a lovely.

Plainly the time to have a permanent is when you need one. Now in midwinter, a new wave could supply more than new life for your tresses. Fashions and spirits, suffering from January doldrums, would also get a lift.

If you are a do-it-yourself girl, you'd be wise to review the types of home waves now available. Innovations have been numerous in recent months. And among them you just might find the answer to prior waving problems. Here's a quick review and guide:

If your aim is body and a satinsmooth finish—no waves or curls—investigate roller perms with a special body-giving lotion. But should your hair-do call for wave and bounce, look into the possibilities of an "uncurlly" perm. Its result is achieved through a newly formulated creme lotion and neutralizer, plus curlers graduated in size from jumbo to midget.

Waves to which you add fresh milk offer a new approach to soft, silky curls. To strengthen the natural color of the hair and curl it at the same time, there is a color-conditioning permanent.

Just choose the right weapon and you're a bull's-eye for grooming!

RULE YOUR WAVES
What's your hair problem? You'll find a way to overcome it in my 16-page booklet, **RULE YOUR WAVES**. Advice includes: Beauty treatments for oily, dry and normal hair; ways to manage unruly locks; how to add color and highlights; tips on cutting, permanents and styling; grooming tricks. Write Mary Sue Miller, Box 158, The Gettysburg Times, Dundee, Ill., enclosing a large, self-addressed, stamped envelope and 20 cents in coin.

TWO MEN TAKE TRAIN FOR PLEASURE RUN

CAMBRIDGE, Mass. (AP) — The chase began at Harvard Square where signal lights flashed on the control board at 3:43 a.m. Sunday.

Trains normally do not operate at that hour, so starter Thomas X. Lind ran to the platform to investigate. He saw a two-car train pull out toward Boston.

Lind jumped to the controls of another train and was off in pursuit. Through Harvard Square, across the West Boston Bridge spanning the Charles River and into the Charles Street Station.

There, two men leaped off the runaway and disappeared. Lind didn't get his men but he recovered the train.

KENTUCKY AND OKLA. STATE WIN SATURDAY

By MIKE RATHET
Associated Press Sports Writer
Hank Iba can catch Adolph Rupp tonight on the way to Ed Diddle's Club, an exclusive organization which has 700 prerequisites.

Diddle, basketball coach at Western Kentucky, currently is the board of directors and the entire membership of college basketball's 700-victory club. But Iba and Rupp are just about ready to have their applications processed.

Iba can make it 696 victories in a 35-year career if his Oklahoma State Cowboys, co-leaders of the Big Eight Conference, defeat Kansas State tonight. That would move Iba into a tie with Rupp, whose 34 Kentucky teams also have won 696 games. Diddle, the dean, has 755 victories.

TULANE SWAMPED
Both unranked Oklahoma State and Kentucky, second-ranked in the nation, improved their records on a form-filled Saturday night program — the first this season in which not one member of the top ten came out without a victory.

Oklahoma State rode Gary Hassman's 20-point performance to a 67-56 triumph over Oklahoma, a 10-3 over-all record and a tie with Nebraska for the Big Eight lead at 2-0. A victory against Kansas State tonight will give the Cowboys undisputed possession of first place.

Cotton Nash's 34 points triggered a Kentucky offense that ripped Tulane 105-63, brought the Wildcats' record to 12-2 and left them with a 2-2 Southeastern Conference mark. Kentucky next meets Tennessee, leading the SEC with a 3-0 record.

TOP TEAMS WIN
Besides Kentucky, eight other members of the top ten were in action Saturday—and all won. Third-ranked Loyola of Chicago took the night off.

Top-ranked UCLA and fifth-ranked Davidson, along with DePaul the only remaining major college unbeaten, had difficulty before subduing stubborn foes.

But DePaul, bidding for a national ranking, ran its record to 11-0 by running over Portland 111-83.

13TH STRAIGHT
UCLA won its 13th straight behind Gail Goodrich's 23 points and fought off a late bid against Southern California 78-71. Davidson overcame a six-point deficit behind Barry Teague and Charlie Marcon and made Virginia its 12th victim, 64-62.

Fourth-ranked Michigan defeated Purdue 77-70, sixth-ranked Oregon State wallowed Hawaii 70-44, seventh-ranked Vanderbilt drubbed Mississippi State 90-66, eighth-ranked Cincinnati edged St. Louis 67-64, ninth-ranked Villanova beat St. John's, N.Y., 55-44 and 10th-ranked Duke whipped North Carolina 84-64.

Two Men Take Train For Pleasure Run
CAMBRIDGE, Mass. (AP) — The chase began at Harvard Square where signal lights flashed on the control board at 3:43 a.m. Sunday.

Trains normally do not operate at that hour, so starter Thomas X. Lind ran to the platform to investigate. He saw a two-car train pull out toward Boston.

Lind jumped to the controls of another train and was off in pursuit. Through Harvard Square, across the West Boston Bridge spanning the Charles River and into the Charles Street Station.

Unbeaten Bullet Matmen Outclass Elizabethtown; Host Penn On Wednesday

The Gettysburg College wrestling team bounced and jolted Elizabethtown over the mats Saturday evening and romped to its fifth straight win to the tune of 26-5 in the physical education building. The Bullets are now 5-0 on the season and the setback was the second in four starts for the Blue Jays.

Brian Schechterle, Toby Mullin and Joe Bavaro gave the home squad a big boost in the point department with pins. Schechterle, in his first match of the season, pinned Sam Corwell in 56 seconds of the second frame of their 147-pound bout. Bavaro followed in the 157 class by slamming Dan Woolcock to the mats in 1:20 of the second period. Mullin came to life in the third period of the 177-pound class to pin Gary Owens in 1:17 of that frame.

STOFFER RETURNS

Heavyweight Jim Stoffer, working for the first time this season, gained a 5-0 decision over Bob Yuminger. Stoffer suffered a knee injury during football season, but is back in good health. Hayes Kline, Gettysburg's 130-pound bombshell, rocketed to his 15th consecutive victory by taking a 6-2 decision over Dave Hollinger.

Elizabethtown gained its five points via a draw and one decision in the eight individual bouts. Dave Lomax held the Bullets' Phil Yost to a 2-2 draw in the 123 event. Gerry Jackson registered his three points by decisioning Chris Ebert 6-3 in the 137 bout.

Coach "Sprig" Gardner will send his complete "first unit" back into action Wednesday evening when the Bullet tangle with the University of Pennsylvania in an 8 o'clock clash on the home mats.

The results: 123—Phil Yost, G, drew Dave Lomax, 2-2; 130—Hayes Kline, G, decisioned Dave Hollinger, 6-2;

BARONS BEAT HERSHEY AND GO INTO LEAD

By THE ASSOCIATED PRESS

If the Cleveland Barons miss their coach and leading scorer it doesn't reflect in the American Hockey League's Western Division standings. Cleveland player-coach Fred Glover, tied for the AHL scoring lead before he drew an indefinite suspension following a Saturday night altercation, watched the Barons whip Hershey, 5-2, Sunday to take the Western top spot from Pittsburgh.

The Hornets squandered a big lead and lost to last-place Buffalo in overtime, 4-3. Quebec took first place in the Eastern Division by clipping Providence, 5-3, and Rochester defeated Baltimore, 5-1, in other games.

5TH OUT OF 7

The Barons beat Hershey for the sixth time in seven meetings and extended their unbeaten string at home to 11 games. They lead Pittsburgh by two points in the Western race.

Glover was set down by AHL President James G. Balmer and fined \$50 for abusing referee Bill Friday after offside call against the Barons in their 3-3 tie game with Buffalo Saturday.

Len Lunde's second goal of the evening gave Buffalo its sudden-death victory over Pittsburgh after the Bisons rallied from a 3-0 first period deficit.

Leon Rochefort scored twice for Quebec and added two assists as the Aces grabbed a one-point lead over Hershey in the East.

BRUINS BEAT TORONTO 6-3

By THE ASSOCIATED PRESS

Boston's famine and Johnny Bucyk's have both been fed by Gary Dornhoeffer, a veteran of three National Hockey League games.

Dornhoeffer cleverly faked the goalie out of his net twice and fired the puck to Bucyk, who collected his first goals in 12 games and led the Bruins to a 6-3 victory over Toronto Sunday night that ended Boston's 11-game winless streak.

Bucyk had not scored and the Bruins had not won since Dec. 18. Then along came Dornhoeffer.

The loss left Toronto in a second-place tie with the Montreal Canadiens, who defeated first-place Chicago 2-1 on Boom Boom Geoffrion's tie-breaking goal. The Hawks are on top with 51 points, three more than the Leafs and Canadiens.

In Saturday's games, Chicago whipped Detroit 6-3 and Toronto defeated Boston 3-1.

BISON SWIM TEAM LACES G-BURG 72-23

Winning 10 of 11 first places and setting two pool records, the Bucknell swimming team romped to a 72-23 win over Gettysburg, Saturday afternoon in the Bullets' tank before a large crowd.

Bucknell captured every swimming event to coast to the victory. Gettysburg's lone strong showing was the diving in which the Bullets placed one-two. Rudy Socy set a new pool and school record in that event by accumulating 69 points. The diving was held on the three-meter board.

Bucknell's pool marks went to Gary Thimme and Phil Reynolds. Thimme sailed home in the 500-yard freestyle in 5:30.9 bettering the Bullets' Craig Van Tatenhoe's old time of 5:57.6. Reynolds established a new mark in the 200-yard breaststroke by clipping home in 2:25.7. He topped the old mark of 2:26.4 held by former Bison Bob Maunz.

SET RECORD

The Bullets produced another school record in the 400-yard medley relay, but was forced to finish out of the points. The Bullet quartet composed of Clyde Betts, Al Guild, Gordon Rowe and Curt Cheyney, topped their own record of 4:14.1 with a new time of 4:09.4. They finished less than five seconds behind the winning Bison team.

Not only did the Bullets give up 10 first places, but they were also unable to control the second places. Bucknell registered five seconds to the Bullets' four. The remainder of Gettysburg's points came on six third places while Bucknell recorded three.

With the toughest part of the schedule behind them, Coach Curt Coull's tankmen will be looking for ways to improve upon their 2-2 slate. Gettysburg will entertain Johns Hopkins, Wednesday evening in an 8 p.m. meet.

The results: 400-medley relay: 1, Bucknell (Clint Condit, Will Snyder, Gary Thimme, John Fleming), 4:09.4; 200-freestyle: 1, Jack Dorr, B; 2, Bob Nadal, B; 3, Bob Nix, G, 2:03.8.

500-freestyle: 1, Thimme, B; 2, Nadal, B; 3, Curt Cheyney, G, 5:30.9; 200-breast stroke: 1, Phil Reynolds, B; 2, Snyder, B; 3, Bob Richards, G, 2:25.7; 400-freestyle relay: 1, Bucknell (Dorr, Weimann, Shields, Dove), 3:36.9.

Cleveland fullback Jim Brown scored both of the East's touchdowns and led all rushers with 101 yards in 15 carries. Taylor got his 98 yards in 14 carries, averaging seven yards to Brown's 6.73.

The West, ahead 14-3 at the half, ran its lead to 25 points early in the third period. First Jesse Whittenton of Green Bay intercepted a pass by Washington's Norm Snead and returned the ball 26 yards for a touchdown.

East was beaten. Bobby Mitchell of Washington fumbled returning the next kickoff and Herb Adderley of Green Bay recovered on the East 21. Unites passed 14 yards to Mike Ditka of Chicago and, on third down, threw a five-yarder to Gail Coghill of Detroit for a touchdown.

That made it 28-3 and the East was defeated. Brown made his two touchdowns runs, one for eight yards and one for three, in the fourth quarter.

The East led once, 3-0, in the first period. Bill Glass of Cleveland intercepted a pass by Unites and returned the ball to the West 28, setting up a 30-yard field goal by Sam Baker of Dallas.

COMPLETES 8 OF 15

But the West went ahead in the same period on a 37-yard touchdown run by Taylor and scored again in the second on a four-yard pass from Unites to Ray Berry of Baltimore.

The East made the longest gain on a 57-yard pass play from St. Louis quarterback Charley Johnson to Mitchell. The longest run was Taylor's 37-yarder.

Unites completed eight of 16 passes for 93 yards and Chicago's Bill Wade completed five of nine for 90. For the East, Johnson hit on seven of 15 for 100 yards and Snead completed one of four for nine.

Mount Trounces Loyola 123-66; Mike Costello Receives Coogan Award

All 14 players scored as the Mt. St. Mary's College basketball squad breezed to a surprisingly easy 123-66 over arch rival Loyola of Baltimore Saturday evening in a Mason-Dixon Conference game played before a capacity crowd in the Mount gym at Emmitsburg. It was the third highest point total by a Mount team in history.

The victory was the ninth in the last 10 starts for Coach Jim Phelan's squad and boosted their overall record to 10-3 and 6-1 in the conference.

The game was only close throughout the opening minutes and midway in the first half the Mountaineers took complete charge to run up a 53-27 lead at half time.

RESERVES ROMP

Coach Phelan employed free use of his reserves and they produced a total of 68 points on a bit of fine all-around offensive work. Even the third stringers continued a blistering attack against the Greyhounds who suffered through probably their poorest performance of the campaign.

Mike Costello, who played only 22 minutes, during which he scored 12 points, was chosen the recipient of the Fr. Coogan Memorial Award given annually to the player selected as outstanding in the Mount-Loyola game.

Only one game faces the Mountaineers this week, Shippensburg State College's highly-respected outfit playing at Emmitsburg Thursday evening at 8 o'clock.

CHANGE RULES ALMOST BACK TO PLATOON SUBSTITUTION

By BEN FUNK

FORT LAUDERDALE, Fla. (AP)—After 11 years of frequent and sometimes confusing change, the college football rule makers have adopted a proposal allowing a return to the platoon system.

The coaches have screamed for its return ever since the free, and unlimited substitution rule was knocked out of the books after the 1952 season.

Sunday, the football rules committee of the National Collegiate Athletic Association went almost all the way back.

ONE RESTRICTION

Only one restriction was left in the way. To send a platoon into a game during a period when the clock is running, a team must use one of its time outs.

Otherwise, a coach will be free and unlimited in the switching of his personnel.

"This is what the coaches desired," said elated Jack Curtice, rules chairman of the American Football Coaches Association. He had carried to the committee the plea of 90 per cent of the coaches for an end to rule restrictions.

CALLED "REASONABLE"

"This is the nearest thing that could possibly come to what they wanted," Curtice said. "This is a reasonable rule."

By overwhelming majority, coaches all around the nation applauded the committee's action.

College football's two platoon system was abruptly outlawed in January 1953, and the one way specialist went into discard, when a drastic rule was adopted providing that no player withdrawn from a game could return in the same period.

Almost every year since then, there has been a gradual relaxation of the rule.

PLENTY OF OPPORTUNITY

Under the new system, platoons may be sent into a game any time the clock is stopped. Two players may enter any time when the clock is running.

There are ample opportunities for platooning without loss of a time out. The clock stops when the ball goes out of bounds or is kicked over the goal. It stops when an official marches off a penalty. It stops during a first down measurement, after an incomplete pass and after a score.

Only when the clock is running, and a team has used all its time outs, will a coach be stymied in his desire to send in a fresh platoon.

OTHER RULES

Other rules adopted by the committee Sunday will: Permit the elevation of goal post uprights to any desired height beyond the present maximum of 20 feet. This is to prevent indecision on whether a ball going directly over a post is fair or foul. Borderline kicks would strike the higher post.

Make it a personal foul for a player to ram an opponent in the head, face or neck with his helmet or head.

Make it illegal for any member of a receiving team to advance the ball after a fair catch is signaled on a punt. Previously, the ball could be advanced if it touched ground or an opponent.

CHIPS MARK

Without even a hint of a competitive challenge, Mottley pushed himself to clip nearly a second off the listed mark. Enroute his coach, Bob Geigenack, unofficially caught Mottley in 47.5 for the 440 compared to the indoor record of 48.2.

The 500 standard is 56.4 set by Herb McKinley seven years ago and twice equalled.

Mottley will run 600 yards the rest of the indoor season with his sights set on the Olympic 400 meters. He started in track as a sprinter but at the longer distances he doesn't work to build endurance—just more speed.

Struck Track

Opens Tuesday

ARCADIA, Calif. (AP)—Santa Anita Park, closed for five racing days by a strike that management says cost the track \$5 million, will reopen Tuesday in the wake of a weekend settlement, track officials say.

Management and union sources said their 12-hour bargaining session Sunday resulted in a three-year contract guaranteeing, among other things, a 75-cent daily increase now, another in a year and a third the year after that.

About 1,400 employees at this and other tracks would benefit from the \$2.25 package, the sources said.

Don Smith of La Jolla, president of the Federation of California Racing Associations, described the settlement as a compromise. "Neither side won," Smith said.

Workers covered in the new contract include pari-mutuel employees, janitors, guards, gamblers, ushers, assistant starters, jockey valets and veterinarian assistants.

Saturday's Game
Temple at Bucknell.

A six-game winning streak which started with a close decision over Bucknell last month ended Saturday evening at the hands of the same Bisons in Lewisburg by a wide margin. A capacity crowd was on hand to see the home team rip to a 78-52 verdict in the Middle Atlantic Conference university division clash.

Gettysburg, which has been coming along strong in both the shooting and rebound department, went into a complete tailspin. The Bullets made only 15 of their 52 field shots and pulled off but 37 rebounds compared to Bucknell's 52. The only phase of the game Gettysburg excelled in was foul shooting as it landed 22 of 27 tosses.

Bucknell's Lorry Hathaway, 6'4" junior, opened the game with a lay up but Doug Kepner came right back with a jumper. After Hathaway converted a foul, George Strouse and Roger Gaekler put Gettysburg in front 6-2 on a pair of jumpers. Karl Heiner made it 6-5 on a goal from the key and again Kepner and Gaekler followed with a trio of points. Bucknell knotted the count at 9-9 at the 15:38 mark when Bill Headley scored in close. Eighteen seconds later Chris Sirms converted a three-point play.

Headley, Hathaway and Heiner matched shots with Strouse and Kepner but Gettysburg held a

16-15 lead with 12:38 remaining. Fifteen seconds later Larry Kozella started a barrage of shots which rocketed the Bisons into a 23-16 lead at 9:43 and the host club was never headed the remainder of the game. The Bullet goals became far and few between and Bucknell led 41-27 at intermission.

The second half saw the Bisons connect for three and four points at a time compared to Gettysburg's one and two. In the last 5:19 minutes of the contest, Bucknell ran off 15 points while the Bullets were held to but four, all by Dave Yates.

Hathaway was the big man in the Bucknell lineup as he recorded 16 tallies and 15 rebounds. Karl Heiner accounted for 14 points. Strouse topped Gettysburg with 12 points followed by Gaekler and Sirms' 11 each. Kepner led the Bullets in rebounds with nine.

Gettysburg is now 6-4 on the season and 2-2 in the MAC. Bucknell is sporting a 4-6 slate and the win was the Bisons' first in five conference games.

A tall, sharp shooting Bucknell Freshman team was no match for Gettysburg's determined aggressive squad as the Little Bullets avenged an earlier walloping at the hands of the Bucknell Frosh. The Gettysburg yearlings rolled to a 72-64 victory in the preliminary contest for their fourth straight win and a 5-3 record on the season.

Coach John Carpenter continued to exhibit his well planned strategy by placing Phil Santa Maria and Nelson Dittmar in the starting lineup and later sent in with Mike Peck. All three have not seen much action all season, but the trio gave the Gettysburg defense a big boost. The most surprising factor in the decision was Gettysburg's foul shooting. Bucknell outscored the Little Bullets from the field 27-23, but the Gettysburg Frosh, hitting on an extremely low 56 per cent from the foul line in the last seven games, converted 26 of 36 tosses while Bucknell landed 10 of 18.

Steve Sater paced the Gettysburg offense with 23 points, landing nine of 16 field goals and five of seven charity tosses. Ray Faccan again controlled the boards with 16 rebounds. Norm Herz and Matt McMonie paced the Little Bisons with 16 and 14 points respectively.

FACED DICKINSON

Both Gettysburg teams will journey to Carlisle on Wednesday to tangle with the respective Dickinson squads. The yearlings will tap-off the preliminary at 6:30 o'clock.

Bowie Meet Will Open On Friday

BOWIE, MD. — Major thoroughbred horse racing makes its earliest seasonal entrance in Maryland history on Friday when Bowie Race Course ushers in the 1964 season with a 52-day meeting. Post time daily during the session will be at 1:30 p.m.

A record \$2,500,000 purse distribution — an all-time high for the southern Maryland racing center — has attracted many of the nation's top stables and all available stall space has been allotted. Upwards of 1,800 horses will be located in the area by the time Friday rolls around with the majority of them being quartered here. Many other thoroughbreds will be vanned here from nearby Laurel.

Shipments from New York, New England, New Jersey, Maryland and winter farms continue to keep the barn areas quite activated while the racing strip is heavily used each morning as horsemen prepare their charges for Friday's opener.

ST. VINCENT'S TOPS RAIDERS

The St. Francis Xavier School varsity ran afoul of the strong St. Vincent's outfit of Hanover here Sunday afternoon and dropped a 38-16 decision.

The Red Raiders were limited to four points in each period with the visitors putting on a strong finish to win handily. Jim Weikert, tallest of the Raiders and the top rebounder, missed the game after spraining his ankle Saturday.

In the preliminary the local jayvees romped to an easy 27-4 victory after blanking their opponents 15-0 in the first half with a fine performance.

Next Sunday the Raiders will play at St. Joseph's, Hanover.

Many Diseases Mentioned In Connection With Cancer

WASHINGTON (AP) — Here is a glossary of diseases most usually mentioned in connection with smoking:

Lung cancer — There are a number of kinds of cancers of the lung. Smoking is usually associated with tumors that begin in the lining or skin of the bronchial tubes, the airway passages in the lung. The most common types are called epidermoid carcinoma and undifferentiated carcinoma.

Other cancers — Some 100 years ago scientists reported associations between tobacco usage and cancers of the oral cavity, the lips, mouth, tongue, interior of the cheek, tonsil and gums. Persons with leukoplakia, small white patches in the mouth, are generally told to quit smoking. There have been some associations with cancer of the bladder, but these are less strong than others.

HARD TO BREATHE

Emphysema — Often a progressive condition in which the air sacs and small air passages of the lungs become swollen and less efficient. The victim has to work harder to breathe, has difficulty in clearing carbon dioxide and absorbing oxygen. There are a number of causes. The hard work of breathing, sometimes a losing game in advanced patients, can lead to congestive heart failure, when the heart itself becomes worn out and ineffective.

Peptic ulcer — Best information seems to indicate that smoking may prevent the healing in stomach ulcers, but is not believed to cause them.

Buerger's disease — A degenerative process in which the blood flow in the limbs, hands and feet is greatly reduced, sometimes leading to gangrene and ultimately amputation. There are a number of causes, among them excessive smoking.

IMPAIRED VISION

Toxic amblyopia — Impaired vision due to a poisoning of the optic nerve. There are a number of causative agents, from quinine to alcohol, from excessive smoking to carbon monoxide. Withdrawal of the toxic factor usually leads to improvement and normal vision.

Bronchitis — Smoking has also been associated with the irritation of the bronchial tubes, wheezing and cough, as have other agents and infections. The bronchial passage is lined with small hair-like strands called cilia which act to clear the passage. Some researchers have claimed tobacco smoke retards this action.

NEW YORK (AP) — Joseph S. Farland, who resigned as U.S. ambassador to Panama five months ago and has not been replaced, says the current crisis situation in the Canal Zone area is to him "lamentable and, in a sense, a personal tragedy."

The 49-year-old West Virginian, visiting in New York, said Friday he is surprised at the extent of deterioration of U.S.-Panamanian relations since last August. At that time, he said, he was showered with praise and affection by 35,000 Panamanians. He said U.S.-Panamanian relations were fine then.

Farland quit in a policy dispute with the State Department. He later criticized certain concepts of the Alliance for Progress program. He said more could be done if it was applied with greater concern for individual dignity and less bureaucratic control.

SMOKED IN THE NEST CHATTANOOGA (AP) — A cigarette smoking bird is blamed for a fire in a Chattanooga attic. Fire Lt. J. R. Dodd said examination found no blown fuses, short circuits or bad wiring in the fire area — but they did find a charred bird's nest. Dodd theorized a bird picked up a burning cigarette butt from a street and flew it to its attic home.

BIRTH CONTROL AND TOBACCO ARE TV TOPICS

By CYNTHIA LOWRY

AP Television-Radio Writer
NEW YORK (AP) — Television's special efforts over the weekend concentrated on serious, controversial themes: The surgeon general's report on smoking and health and birth control.

All three networks handled the big tobacco story of Saturday on a competitive news basis with special programs in the early evening. They also announced they planned to study the report in connection with television advertising policies.

NBC's "Birth Control: How?" Sunday night centered on Dr. John Rock, the Roman Catholic Brookline, Mass., physician whose clinic has developed an oral contraceptive which has proved effective.

FRANK AND UNHEATED

Considerable time was also given to the Rev. John A. O'Brien of Notre Dame who presented the view of the Roman Catholic Church, which opposes the use of artificial or chemical contraceptives.

It was a frank, enlightening and unheated treatment of a difficult subject.

Most disappointing item on the weekend's television menu was the premiere program of NBC's "That Was the Week That Was" on Friday. Alas, neither the material nor the point of view was there.

Outstanding moment of the program was a strange and weirdly effective pantomime by Burr Tillstrom using only his hands and forearms to dramatize by gesture and movement the whole tragedy of the Berlin wall.

LIKED TRAVEL SHOW

More of the show's other material was limping wisecracks than clever commentary.

CBS' "One of a Kind" series started Sunday afternoon with a most unusual travelogue — a leisurely helicopter tour of the United States. I am not a travelogue lover but the photography and effects of the program were stunning.

The commentary was brief, sometimes too brief, but it was handsome, low key and sort of right for late Sunday afternoon.

Recommended tonight: "Hollywood and the Stars," NBC, 9:30-10 (EST) — first of a two part program examining the phenomenon of teen-age idols like the late James Dean and Elvis Presley.

Drained canned peach halves filled with cranberry sauce make an easy-do but most attractive accompaniment to ham or fresh pork.

Democrats Ponder Change In Rules

WASHINGTON (AP) — Leaders of the Democratic party are considering a proposal to reward states for Democratic votes cast in the 1960 election by increasing their votes at the party's national convention.

Under the formula, Pennsylvania would have 44 more convention votes at this year's convention. The Pennsylvania Democrats would have 125 votes, compared with 81 in 1960. The maximum size of the delegation would be increased to 285—162 delegates and 123 alternates, instead of 242.

TEXAN ENTERS BANKRUPTCY IN NOTE SWINDLE

CORPUS CHRISTI, Tex. (AP) — Paul Amos Sandblom, who said he gave friends a chance to invest and earn commissions on their money, has filed a voluntary bankruptcy petition.

Ten creditors who had asked for a receivership said Sandblom owes them 5 million and that his total indebtedness exceeds \$20 million as a result of what one associate described as dealing in discounted mortgages and notes.

U.S. Commissioner James Martin issued a warrant for Sandblom's arrest Friday on a charge that he used the mails to sell securities "without having properly filed a protective registration statement with the Securities Exchange Commission."

ISSUE WARRANT

"We don't know where he is," said Asst. U.S. Atty. Scott T. Cook. "That's the reason we're getting the warrant."

Luther Jones, an attorney representing Sandblom, said "I have no reason to believe he won't be back. He told me he was not running off."

Sandblom, described by acquaintances as an energetic and persuasive man in his late 30s, has operated an insurance agency here since 1953. Three weeks ago he moved into an exclusive residential area where homes sell in the \$50,000 to \$70,000 range.

In an interview with the Dallas Morning News last May Sandblom said reports that he borrowed money and paid interest was not true. He said he gave friends a chance to invest and earn what he called commissions on their money.

PHILADELPHIA (AP) — Two gunmen, both about 40 years old, escaped with \$7,000 Friday night from the Garfield Federal Savings and Loan Association office in Northeast Philadelphia, police reported.

DENIES POLAND FAILED TO HELP IN SLED SPILL

ARDMORE, Pa. (AP) — Miss Elizabeth Gould, 25, of Rydal, denied charges Friday that Polish officials failed to help her when she was injured in a toboggan accident.

Miss Gould, a member of the U.S. Olympic team, suffered two broken legs and a broken arm in a spill during a training run in Poland's Carpathian mountains Dec. 15.

A Dutch toboggan expert, W. E. Bornhaupt of Amsterdam, in a report to the Olympic committee, charged Poland with "incompetence and criminal refusal to help an injured member of the U.S. Olympic team," in failing to send a helicopter large enough to airlift Miss Gould out of the Carpathians. She eventually was removed and flown back to the United States.

She now is in a hospital here. She issued her denial of Bornhaupt's charge through R. Max Ritter of Jenkintown, treasurer of the U.S. Olympic Committee. Ritter said Miss Gould said she had no complaint against the treatment she received in Poland.

TRAIN DRAGS MAN TO DEATH

FLANDERS, N.J. (AP) — A braking car smashed into the side of a lumbering freight train at a Jersey Central Railroad crossing Friday night, hurling the driver from the auto and against the train, which dragged him 80 feet and killed him.

Mount Olive Township police identified the victim as Charles L. Eckert, 41, of Lake Hopatcong.

Charles Dalcus, 52, of Allentown, Pa., the operator of the 31-car twin-diesel freight train, told police he was going 30 miles an hour when he noticed Eckert's car racing along North Road toward Succasunna. Dalcus said he blew the whistle but couldn't stop in time.

Eckert's car struck the first engine, turned around and landed against a railroad warning sign. Eckert was thrown out and caught by the train. His car left 56 feet of skid marks.

Eckert was superintendent of construction for Ferrante Crushed Stone Inc. of Clinton. The freight train was bound for Allentown.

Father Of Three Kills Young Wife

CHESTER, Pa. (AP) — The 21-year-old father of three children is being held without bail on charges of killing his 19-year-old wife and her grandmother.

Edward Stephens was held for grand jury action at a police hearing after the death of the grandmother, Mrs. Helen Tilghman, 57, who lived with the couple.

Mrs. Stephens had died a few hours after the shooting Friday in the Stephens home here.

BERLIN WALL CASE FIZZLES

BERLIN (AP) — Western conditions for reopening of the Berlin wall have been set so high that the Communist East German regime could hardly accept, authoritative sources said Saturday.

One condition on which new negotiations between West Berlin and the East Germans definitely would fail was there would be no new agreement unless East Berliners also could come to West Berlin, the sources said.

This condition was set by West German Chancellor Ludwig Erhard in unanimous agreement with his cabinet and has been accepted by West Berlin Mayor Willy Brandt, the sources said.

Neither West German officials nor the Western allies would say anything about this. "As far as I am concerned, this issue is now dead," said one source. "The East Germans cannot possibly accept the Western demand because all their people would run away," the source added.

MOSLEMS AND HINDUS CLASH

CALCUTTA, India (AP) — Troops were called out Saturday to maintain order in the wake of violent clashes between Moslem and Hindus.

Police, who fired into rioting mobs Friday, said several persons were reported killed. However, further details were not available.

The area adjoining Calcutta was put under a curfew and demonstrations were banned in this city.

The demonstrations began Thursday, following reports that Moslems were killing Hindus in the East Pakistan area of Khulna, 75 miles east of Calcutta. The Indian press reported 29 persons were killed in the clashes.

Pakistan is predominantly Moslem. Indians are mostly Hindus.

The clashes in Khulna came after a hair, believed by Moslems to have come from the prophet Mohammad, was stolen from a shrine in the Indian part of the divided state of Kashmir Dec. 26. The hair was recovered Jan. 4 and restored to the shrine Friday.

SEES BUSINESS RISE

UNIVERSITY PARK, Pa. (AP) — An economist at the Pennsylvania State University predicts the gross national product will increase by \$31 billion this year if Congress approves the proposed federal tax cut.

Dr. R. Hadly Waters of the university's Bureau of Business Research said Saturday that the GNP should rise from \$584 billion in 1963 to \$615 billion if the \$11 billion tax reduction is passed in Congress.

THE TIME HAS COME

The President of the United States has been murdered by a Marxist-Communist within the United States.

It has been pointed out by the Hon. Martin Dies, since the assassination, that "Lee Harvey Oswald was a Communist," and that when a Communist commits murder he is acting under orders. The former Congressman, head of the original Dies Committee, is probably second only to J. Edgar Hoover in first-hand knowledge acquired from early and long experience in investigating Communist activities.

The Hon. J. Edgar Hoover said in a speech on October 18, 1960: "We are at war with the Communists, and the sooner each red-blooded American realizes that the better and safer we will be." He emphatically repeated this statement on December 3, 1963 - - ten days after the assassination. And this is none the less war because the Communists conduct it according to their usual methods, without regard to civilized rules or human decency.

Nor is it in character for the Communists to rest on this success. Instead, we can expect them to use the shock, grief, and confusion of the American people, resulting from the assassination of our President, as an opportunity for pushing their own plans faster. Also, we shall be subjected to an ever greater barrage of distortions and falsehoods, aimed at imposing on the nation a completely false picture of the situation and of the forces at work. They have to subvert our minds as well as our institutions.

For five years The John Birch Society has said that, regardless of the external threat, Communism was a serious internal menace in the United States. And we were

right. This has now been proved, tragically but conclusively, to the deep sorrow, but also to the profound alarm, of all good Americans. The time has come for those good Americans to join us in this fight against the powerfully organized "masters of deceit." For, as Edmund Burke once wrote: "When bad men combine, the good must associate; else they will fall one by one, an unpitied sacrifice in a contemptible struggle."

The John Birch Society is an *educational* army, and our only weapon is the truth. But George Washington stated our problem well: "Truth will ultimately prevail where there is pains taken to bring it to light." We take tremendous pains in proportion to our numbers and our strength, and all we need to win is that enough other patriots join us in our determination and our labors. For there is nothing the Communists fear so much in the whole world today as having the American people learn, too soon, the truth about their purposes, their methods, and their progress.

If you oppose the Communist conspiracy by learning and spreading the truth, you may expect to be smeared as viciously as we have been for five years. But you will be helping to save your family and your country from the same cruel tyranny that has already been imposed on a billion human beings.

The time has come for every red-blooded American to react as such. If you have the willingness to learn and the courage to support the disturbing truth, use the coupon below. It will be without any obligation on your part, and we shall not contact you further unless or until you request us to do so.

DEMOCRATS APPROVE NEW VOTE SPREAD

By LARRY OSIUS
Associated Press Writer

WASHINGTON (AP) — The Democratic party has taken a big step toward solving one of its convention problems, that of proportionate representation. But another problem has, if anything, been aggravated.

The party began in 1952 to ignore the fact that some states were growing and others were losing population. The result: Some smaller states had a disproportionately loud voice in the convention.

There were two ways to correct this situation: Take votes away from some states or give votes to others. The first seemed too painful. So Saturday the Democratic National Committee approved a vote allocation formula for the 1964 convention which recognizes both population and zeal for the party—and greatly increases the number of votes to be cast.

ADMIT 5,264

But the other problem, size of the convention, is thornier than ever.

To cast the 2,316 votes authorized for the August convention, the committee approved 3,056 delegates and 2,208 alternates. This means that about 5,264 of them will be floating around Atlantic City's mammoth Convention Hall, compared with 4,509 four years ago in Los Angeles. As usual at Democratic conventions, most will be casting only one-half of a vote.

By contrast, the Republican convention in San Francisco will have only 1,308 delegates, to cast a like number of votes. Another 1,308 alternates are authorized, meaning that physically the GOP convention will be about half as large as the Democratic one.

SPREAD FAVORS

Democratic leaders say they don't mind. The additional alternates and delegates give them more openings to spread

Asks Passage Of Immigration Bill

WASHINGTON (AP) — Sen. Joseph S. Clark, D-Pa., called today for the enactment of the administration's immigration reform bill as a living memorial to the late President John F. Kennedy.

In a statement for a Senate judiciary subcommittee, Clark said the national quota system in the existing immigration law is discriminatory and is an affront to Americans of African and southern and eastern European parentage.

Clark said he hoped President Johnson's demonstration of leadership in immigration reform would provide the stimulus for adoption of the program by Congress.

among the party faithful. But convention floor managers may be gnashing their teeth come August.

Here's how the vote allocation formula adopted Saturday works:

Each state will get three convention votes for each electoral vote. Since the Electoral College is based mostly on population, this helps solve the representation problem.

Likewise, each state gets a convention vote for every 100,000 Democratic votes cast in 1960. Thus bigger states with more voters will benefit.

BONUS VOTES

Furthermore, each state voting the Kennedy-Johnson ticket in 1960 will get a bonus of 10 votes.

By and large, the Northeastern industrial states gained the most at the expense of Great Plains, Rocky Mountain and Southern states.

Since the convention as a whole will have 52.2 per cent more votes than in 1960, states which gained more than this are proportionately better off and states which gained less lost ground.

A roof of Norfolk reeds, the most durable thatching, costs up to \$1,120, but it will last 60 to 80 years if maintained properly. Devon reed remains intact for 25 to 40 years, wheat straw 10 to 20.

James MARLOW Reports

By The Associated Press

WASHINGTON (AP) — President Johnson inherited a Panamanian mess older than he is. It starts with President Theodore Roosevelt who contemptuously called Latin Americans "dagos."

Immediate cause of the Canal Zone riots in which more than two dozen Americans and Panamanians have been killed was a dispute over placing the Panamanian flag beside the American flag in the zone.

Such killings for such a reason may look like idiocy 100 years from now if by then the world is more civilized and flag placing is considered a job for landscape gardeners.

CAUSES RUN DEEP

But here the causes run deep and all the way back to 1903: Cupidity, stupidity, nationalism and American imperialism. In 1903 Panama, then part of Colombia, revolted and set up its own government.

The idea of digging a canal across Panama from the Atlantic to the Pacific was at least 300 years old. After the Spanish-American War there was a demand for it in this country. Roosevelt tried to arrange it with Colombia.

He didn't like the terms. He called the Colombians apes. In this country, but not by Roosevelt publicly, the people in the province of Panama were encouraged to revolt. They did, and got instant American military help.

REVOLT IN 1903

Later Roosevelt came out from behind the bushes: "I took Panama." He quickly recognized the new republic and just as quickly made a deal with it to build a canal.

The revolt started Nov. 3, 1903; this government recognized the Republic of Panama on the 6th; and a treaty on the canal was concluded on the 18th.

Although the canal was not finished until 1914, long after Roosevelt was out of office, one of his biographers said his maneuvering left a "U.S. legacy of ill will" in Latin America "where the good neighbor policies of later presidents have failed to this day to dissipate it entirely."

The treaty granted the United States "in perpetuity the use, occupation and control of the zone of land (10 miles wide)" from Atlantic to Pacific.

In time "perpetuity" became a cancer to Panamanians. How come the United States could move in on Latin American countries like this? Roosevelt explained it in what is called his corollary to the Monroe Doctrine. He altered that doctrine,

Calgary Favored For Winter Games

INNSBRUCK, Austria (AP) — Calgary, Canada, appears to be the favorite for getting the 1968 Winter Olympics, according to persons behind the scenes at the site of the 1964 Olympics.

The International Olympic Committee meets here Jan. 25, three days before the Winter Games open. A secret vote Jan. 28 will determine the locale of the 1968 Games.

Informants give Calgary the best chance because Canada, a ranking winter sports country, never has had the games while all other competing countries have had either the Olympics or world ski championships.

Other cities mentioned as in the running were Grenoble, France; Lake Placid, N. Y.; Lahti, Finland; Oslo, Norway, and Sapporo, Japan.

FLAGSHIP ON SAIGON VISIT

SAIGON, Viet Nam (AP) — The flagship of the U.S. 7th Fleet, the guided missile cruiser Providence, will steam up the Saigon River Saturday for a three-day good-will visit to the South Vietnamese capital.

The 7th Fleet commander, Vice Adm. Thomas H. Moorer, will be aboard.

While 7th Fleet ships visit Saigon from time to time, this will be the first visit by the flagship in several years. It is generally believed that the visit is planned as a strong hint to the Communists that the U.S. military establishment stands solidly behind the new Vietnamese military government.

The war has been going badly for the government since before the overthrow of President Ngo Dinh Diem. Many Vietnamese say they think the United States soon will grow tired of the burden of war and abandon Viet Nam to the Communists.

Scranton Studies Smoking Report

HARRISBURG (AP) — Gov. Scranton is taking careful note of the special report released last Saturday on smoking and its effect on health.

Scranton, a nonsmoker since his undergraduate days at Yale, plans to read the report prepared by a special committee of the U.S. surgeon general.

Indirectly, the governor has a vested interest in cigarette sales in Pennsylvania since the state currently taxes them to a tune of nearly \$2 million per week.

The administration estimates the revenue from the state's eight-cent-a-pack cigarette tax to amount to \$97.7 million in the 1964-65 fiscal year beginning July 1.

PRESIDENT OF ITALY ON VISIT

PHILADELPHIA (AP) — President Antonio Segni of the Republic of Italy arrives here today on his first stop of a five-day visit to the United States that will include talks and a state dinner with President Johnson.

Segni will be accompanied by his wife, Laura, and an official party of 35.

Specially-detailed police, FBI agents and other security officers were assigned to guard the 71-year-old Italian president. The route of the official motorcade from International Airport to a downtown hotel was not disclosed.

A 21-gun salute by the 168th Artillery First Howitzer Battalion of the Pennsylvania National Guard awaited Segni upon his arrival at the airport where Mayor and Mrs. James H. J. Tate planned to meet him.

Jail Official In Anti-Chinese Riot

JAKARTA, Indonesia (AP) — A former Bogor municipal official, Dr. Abdurachman, has been sentenced to six years in prison as a key figure in the May 1963 anti-Chinese riots which swept western and central Java.

The sentence was the longest to come out of numerous trials of so-called counter-revolutionary elements accused of touching off the riots.

Abdurachman was vice chairman of the Bogor Legislative Council.

Son, Dad, Doctors At Odds On Smoking

BALTIMORE (AP) — "There must be something to it," Dr. William F. Reinhoff III says, of the surgeon general's report on smoking and health.

"Nonsense," Dr. William F. Reinhoff Jr., his father, said Sunday.

Both are chest surgeons. The father, who doesn't smoke, is on the scientific advisory board of the Tobacco Research Institute.

The son, who does, teaches at the Johns Hopkins Medical School.

Kennedy's Tags Are Given To Cardinal

BOSTON (AP) — Richard Cardinal Cushing proudly displays a "very personal gift" as a memento of the late President John F. Kennedy.

He revealed to a Roman Catholic charity fund-raising group Sunday night that Mrs. Kennedy had given Kennedy's metal identification tags to him when he said a memorial Mass at Palm Beach, Fla., two weeks ago.

Imprinted on the tags are: Kennedy, John F., Commander-in-Chief, O (for blood type) and Roman Catholic.

IS SUKARNO A GREAT MAN?

PHNOM PENH, Cambodia (AP) — Indonesian President Sukarno and Prince Norodom Sihanouk, Cambodia's chief of state, had a friendly disagreement Sunday over whether Sukarno is a great man.

Sukarno modestly took the negative. Sihanouk, making an official visit to Cambodia, was made an honorary citizen of the port of Sihanoukville. He said the honor made him happy, but he would prefer to be a simple citizen of the town.

"Even though I am president of the Indonesian Republic," he said, "I am not a great man." Sihanouk, who was translating Sukarno's speech from English into Cambodian, protested: "You are a great man, one of the greatest statesmen in the world."

Sukarno turned to his host and said: "You are the Cambodian chief of state, but now you have only the job of translating my words."

General laughter followed.

Senator Engle Cannot Campaign

LOS ANGELES (AP) — State Democratic Chairman Eugene Wyman says that as of now, U.S. Sen. Clair Engle "is not in any condition to campaign."

Wyman returned to Los Angeles Sunday with Tom Carvey Jr., president of the California Democratic Council, after meeting with Engle.

The senator "looked good, but he has difficulty in his ability

MINE RESCUE BILLS ARE DUE

HARRISBURG (AP) — A question of legal vs. moral responsibility underlines Gov. Scranton's request for \$61,607 to pay for some of the expenses incurred in last August's dramatic Shepperton mine rescue.

Mines Secretary H. Beecher Charnbury says David Fellin and Eugene Gibbons, his co-partners, "are legally responsible" for payment of the bills.

However, he added Sunday that the state had "the moral responsibility" to attempt the rescue effort.

It was last Aug. 27 that Fellin and Henry Throne were rescued after being trapped for two weeks some 300 feet underground in a mine cavern.

Charnbury estimated the total cost of the rescue effort to run between \$300,000 and \$500,000. Bills totaling \$61,607 have been submitted to the Mines Department.

Published reports this past weekend quoted a Mines Department official, who was not identified, as saying the state was considering asking Fellin and Gibbons to share in paying the bills.

Castro In Moscow Seeking More Aid

MOSCOW (AP) — Prime Minister Fidel Castro arrived today on a surprise visit to Premier Khrushchev with more Soviet economic aid for Cuba presumably his aim.

The Cuban leader may have trouble getting an increase in help. Khrushchev is spending hundreds of millions of dollars to buy wheat from Canada, Australia and the United States, and he has embarked on a massive expansion of the Soviet chemical industry.

Khrushchev gave Castro the same red carpet welcome as last April, when Castro visited the Soviet Union for five weeks. The Soviet premier was at the airport along with other officials.

to speak, he's very hesitant," Wyman said.

Engle underwent brain surgery in August. He recently announced he will seek re-election in November.

FORMER COACH MOVES TO DESK AT FILM FIRM

By BOB THOMAS
AP Movie-Television Writer

HOLLYWOOD (AP) — Forty years ago, a Los Angeles boy used to be taken by his father to do gymnastics on Santa Monica Boulevard.

One day they got the attention they were seeking. Douglas Fairbanks saw the boy and hired him to teach tumbling to Doug Jr. The youthful coach was working out at the movie lot when Director Ernst Lubitsch tabbed him to play a choirboy in "Rosita" with Mary Pickford.

COLUMBIA CHIEF
That was Mike Frankovich's first movie job. Today he occupies the office of the late Harry Cohn as chief of Columbia Pictures' worldwide film making.

In the intervening years, Mike has done about everything in the film business, from writing serials to acting as bodyguard for J. L. Warner during a movie strike. So it's only natural that he would slide easily behind the desk he assumed at the first of the year.

OPTIMISTIC VIEWS
"I'm optimistic about the film business," he said. "I feel sure we're going to get our heads above water again."

"The problem is not getting people to go to movies; they're doing that now. The main difficulty is that pictures cost too darned much. I'll pay anything for a good story, and I don't mind paying the truly creative people what they're worth. But some of the others have got to make their prices more realistic. They've got to share some of the risk with us."

FOOTBALL PLAYER
Frankovich, 53, was quarterback at UCLA. It was there that he made his first real plunge into film making, acting as player and technical adviser on football pictures. He was aided by his close relationship with Joe E. Brown.

"I used to play on Joe's baseball team and I was often around his house," Mike said. "They'd have me stay with the kids when they went on trips. Once they went to the Orient for three months. When they came back, Joe Jr. cried because he didn't want me to leave. I stayed with the Browns for eight years, off on on."

The little boy who cried, by the way, is now general manager of the Pittsburgh Pirates.

4 CHILDREN DIE IN BLAZE OVER WEEKEND

FARM SHOW OPENING IN BAD WEATHER

HARRISBURG (AP) — The Pennsylvania Farm Show, billed as the world's largest indoor free agriculture exhibit in the world, opened its doors today for business.

This is the 48th in a series of week-long exhibitions which annually attracts more than one-half million visitors into the huge Farm Show Arena.

More than 10,000 entries valued at \$10 million will be competing for prizes worth \$65,000.

CLIMAX FRIDAY

They will be entered by such a spectrum of personages ranging from school children to former President Dwight D. Eisenhower, who breeds Angus steers on his farm near Gettysburg.

The show will be climaxed Friday with the sale of the grand champion 4-H baby beef.

Gov. Scranton and his wife, Mary, gave the snow facilities a look over last night, accompanied by Agriculture Secretary Leland H. Bull and other members of the Scranton cabinet.

MARY MILKS COW

Mrs. Scranton proved a delight for photographers when she paused to milk a cow while the cameras clicked away.

Her husband had been asked to do the farm chore, but he begged off by saying: "That's Mary's job. I've never milked a cow before."

Mrs. Scranton jumped right at it, telling the photographers who now were occupied taking her picture: "See, I can milk a cow, can't I boys."

LEGISLATURE RECESSES

The theme of this year's farm show is "Forward with Agribusiness, Pennsylvania's Major Industry," to emphasize the part agriculture plays in the state's economy.

It reflects the fact that farming and all its related activities provide 43 per cent of Pennsylvania's 11½ million residents with all or part of their employment and income.

The influx of visitors is so heavy that the state legislature is forced to take a week's recess because of the scarcity of hotel space.

NIGHTLY ENTERTAINMENT

Last year, a new attendance high was set as 690,000 visitors crammed their way into the exhibition hall. Uncommonly good weather helped to swell the crowds.

There is a nightly entertainment program, including an exhibition by State Police horsemen tonight, which is officially designated Governor's Night.

Tuesday evening there will be a folk dance festival. Wednesday's program includes a horse pulling contest and a tractor driving contest will be held Thursday evening.
